Note to readers: The next three issues of this newsletter will be pre-written so that I may take my annual sabbatical. If something truly important happens I will inform you with an update.

My battle against the Khazarian mafia started in Japan, where over a 30-year career as a frontline journalist, I watched as Prime Minister after Prime Minister was murdered and a successful economic system was dismantled. When I started reporting in Japan in 1985, it had the highest per capita income in the world and the lowest gap between the rich and poor in any developed nation. This was the result of decades of double-digit economic growth: the so-called Japanese miracle. Now, Japan is ruled by Khazarian gangster hedge funds and their slaves. The country now has the second-biggest gap between the rich and poor in the OECD (after the U.S.) and the average Japanese barely scrapes along.

It was anger at what had been done to the Japanese that set me out on the path to liberate this country by trying to convince them to stop paying tribute to their enslavers. This was personal, because many Japanese journalists, central bankers, and politicians I knew and respected had been murdered by these people. I found this out from Japanese Yakuza bosses who told me they were sub-contractors to the Khazarian mob.

When Asian secret societies agreed to help liberate Japan and the rest of the world from Khazarian rule, then all sorts of people from all sorts of secret societies came out of hiding to talk with us.

One particularly influential source was a Senior British agent, Dr. Michael Van de Meer, AKA Michael Meiring. He gave me some reading assignments so I would know exactly what I was dealing with. Van de Meer had been fighting the Khazarians for decades and paid a steep price. He had both of his legs blown off by a bomb set, according to him, by agents of George Bush Sr. and David Rockefeller.

The information he provided made me realize what I witnessed first-hand in Japan was a gradual process of enslavement that was already completed in the United States.

These were the people who murdered Abraham Lincoln, John F. Kennedy, Martin Luther King, and many others.

It is interesting to note that even though official documents about the Kennedy assassination were released with great anticipation, not a single media outlet reporting that his murder was ordered by...

then Israeli Prime Minister David Ben Gurion. Ben Gurion, in turn, was taking his orders from the Khazarian mob as part of their plan to murder 90% of humanity and enslave the rest in order to rule the world from Jerusalem.

Before we go into key quotes from these reading materials, let me explain why they are wrong when they blame the problem on Jews because these people only call themselves Jews, they are in reality Satan worshippers.

My own family is Jewish. My mother's family was originally Horstein meaning horse rock or horse mountain. They were the female descendants of Khazarian horsemen defeated by the Russians and the Mongols. My grandmother was so afraid of being identified as a Jew that she carried a document stating she had been baptized as an Anglican. My father's mother was also Jewish, and she did not tell this to my father until she was on her deathbed. My father likewise did not tell me until he was dying.

They were very afraid of something, and that something was the Khazarian Satanists. They had escaped from their slavery and were reluctant to return to it and that is why they kept their ancestry secret even from their closest relatives. Most religious Jews are still their slaves. If you study real Babylonian history you will learn that circumcision was ritual castration to identify males of defeated tribes as slaves.

In any case, my Anglo Saxon male ancestors were the descendants of the undefeated warrior kings of planet Earth, and we were not about to let the womenfolk of a defeated tribe tell us what to do. We were not circumcised or enslaved.

The other thing to know is that we live by the golden rule: "Do unto others as you would have others do unto you." We were moral not because we were afraid of hell or tempted by promised bribes of heaven, but because it was in our self-interest to be moral. You don't steal or murder so that you can live in a society where you do not yourself get robbed or murdered.

We were not Christian because Jesus Christ had been tortured to death and his murderers were still in power. Also, we could not believe a just God would allow so much misery and suffering on Earth. So we were atheists, the most persecuted type of Jew there was.

Personally, I know that we did not create ourselves so there must be a creator. In order to respect the creator, you must respect the creation, in other words, respect other people and all living things.

In any case, let us now quote three key insiders about the “Jews,” with the proviso they are talking about the Synagogue of Satan and not true Jews.

Let us start with a warning from founding father Benjamin Franklin:

“I fully agree with General Washington, that we must protect this young nation from an insidious influence and penetration. The menace, gentlemen, is the Jews. In whatever country Jews have settled in any great numbers, they have lowered its moral tone; depreciated its commercial integrity; have segregated themselves and have not assimilated; have sneered at and tried to undermine the Christian religion upon which that nation is founded by objecting to its restrictions; **have built up a state within a state**; and when opposed have tried to strangle that country to death financially, as in the case of Spain and Portugal.

If you do not exclude them from these United States, in this Constitution in less than 200 years they will have swarmed in such great numbers that they will dominate and devour the land, and change our form of government, for which we Americans have shed our blood, given our lives, our substance and jeopardized our liberty.

If you do not exclude them, in less than 200 years our descendants will be working in the fields to furnish them sustenance, while they will be in the counting houses rubbing their hands. I warn you, Gentlemen, if you do not exclude the Jews for all time, your children will curse you in your graves.”

Franklin was so right. We confirm this now with an exact quote from Harold Wallace Rosenthal, former top administrative aide to former Senator Jacob Javits:

“Most Jews do not like to admit it, but our God is Lucifer.”

Rosenthal, who was later murdered for revealing so much also said:

“We Jews have put issue upon issue to the American people. Then we promote both sides of the issue as confusion reigns. With their eyes fixed on the issues, they fail to see who is behind every scene. We Jews toy with the American public as a cat toys with a mouse...

The blood of the masses will flow as we wait for our day of world victory. Money is more important than morality. We can accomplish anything with money. Our power has been created through the manipulation of the national monetary system. We authored the quotation. ‘Money is power.’ As

revealed in our master plan, it was essential for us to establish a private national bank. The Federal Reserve System fitted our plan nicely since it is owned by us, but the name implies that it is a government institution. From the very outset, our purpose was to confiscate all the gold and silver, replacing them with worthless non-redeemable paper notes.

We acquired total monopoly of the movie industry, the radio networks, and the newly developing television media. The printing industry, newspapers, periodicals, and technical journals had already fallen into our hands. The richest plum was later to come when we took over the publication of all school materials. Through these vehicles, we could mold public opinion to suit our own purposes. The people are only stupid pigs that grunt and squeal the chants we give them, whether they be truth or lies.”

Next, we have the warning from high-level Zionist insider Benjamin Freedman (who was a man freed from Khazariaion=Zionist slavery).

“The Zionists and their co-religionists rule this United States as though they were the absolute monarchs of this country. [Zionists] told England: ‘We will guarantee to bring the United States into the war as your ally, to fight with you on your side if you will promise us Palestine after you win the war.’

So, what do we face now? If we trigger a world war that may develop into a nuclear war, humanity is finished. And why will it take place? It will take place because of Act III. . . the curtain goes up on Act III. Act I was World War I. Act II was World War II. Act III is going to be World War III. The Jews of the world, the Zionists and their co-religionists everywhere are determined that they are going to again use the United States to help them permanently retain Palestine as their foothold for their world government.

How can the United States — about five percent of the world — go out and fight eighty to ninety percent of the world on their home ground? How can we do it... send our boys over there to be slaughtered? For what? So the Jews can have Palestine as their ‘commonwealth’? They’ve fooled you so much that you don’t know whether you’re coming or going. I don’t call them Jews. I refer to them as so-called Jews, because *I know what they are [Satanists]*..

Ok so now the United States is in a desperate battle to liberate itself after having been slowly enslaved over the past 200 or so years. The process is well underway. A large part of the Khazarian mafia leadership in the U.S. has been killed or arrested.

However, Japanese military intelligence estimates about 1 million Khazarian mafia rule the United States. They pretend to be Jews, Muslims, Christians, etc. but they worship Satan. Right now they are fighting for their lives. Antifa and Black Lives Matter activists involved in rioting and sabotage are Khazarian agents or their dupes, according to NSA sources. For example, a Pew analysis shows that only one out of six so-called black lives matter activists is an African American. In other words, they are Khazarian agents. You can say the same about Antifa.

These people need to be neutralized if the United States is to free itself from the system of Babylonian debt slavery controlled by Khazarian Satanists.

Next week we will continue with a look at who is fighting against them and how not just the United States but the entire world can be liberated from this horror.

The key strongholds to be taken are the corporate media, the “pharmacidical” industry, the high tech monopolies, the mega-banks, the Washington political elite, the health bureaucracy, and many of the energy companies.
