

### ***2022: The Game-Changer***

God, Gaia (Earth), Spirit Guide Matthew via Susan Ward  
January 7, 2022 - [www.MatthewBooks.com](http://www.MatthewBooks.com)

#### **Matthew**

With loving greetings from all souls at this station, this is Matthew. First we say, enter your new year with boundless enthusiasm and optimism! At this very same time *next* year, you can reflect on 2022 with a grand sense of accomplishment about having helped Earth's peoples make great strides toward a peaceful, harmonious world.

Now we are privileged and honored to welcome God, who requested to have a voice in this message.

#### **GOD:**

Thank you, Matthew. I like the message's beginning. Great strides *will* be made, that is certain, but there will be bumpy passages while the mess in that world is getting cleaned up. This year is going to be a game-changer, and who better than I to say it is high time to stop the atrocious game some in my flock have been playing on Earth. That's not judgment, that's a fact.

Now then, my beloved children, what you think and feel about me is important to you, therefore to me, too, because all of you are parts of me and in every moment, I think and feel *exactly* as each of you does. So it's *very* important to me what you think and feel about *yourselves*.

*Dis-serving* ones in my flock want the differences in your cultures, races and religions to divide you. They have a long history of doing that successfully and, down through the ages, they've used many deceitful methods to prevent my children on Earth from knowing they are *god-selves* and all are equal in my eyes. Long, long ago my principal messengers told the people that same thing and other universal truths, but *dis-serving* ones destroyed original records and wrote your holy books themselves so those would contain what *they* wanted everyone to believe and do. They portrayed me as a wrathful, vengeful God if I'm not obeyed, and they made self-serving laws steeped in control and greed and told the people those were *my* laws. They caused impoverishment and started all wars, even some in *my* name.

They instigated slavery, sacrificial rites and the idea that male is superior to female, and they've been destroying the planet that is my child Gaia's body.

I *never* wanted *any* of that falsity, brutality, divisiveness and destructiveness! Always I've wanted my Earth family to live joyfully, cooperatively together and diversity to *enrich* their lives. I want my humankind to love and respect each other and Nature—all of it are parts of me, too—to preserve the planet's beauty and prosper in its abundance.

The thing is, after Creator selected me to be the god of this universe and let me use Its energy to put my designs into form, I've been bound to honor Its gift of free will to all of my children. I'm never permitted to interfere with what any of them choose to do no matter how heinous or deadly to many, many others.

What I *can* do is respond to free will requests for help, and I've been doing that for Gaia and her residents ever since she asked more than 80 years ago. That's when entire civilizations started sending a mass of light to raise Earth's vibrations and open the minds of my children there so they can clearly see the control going on and rise up against it. Some of my flock from other homelands are living right there with you and, among other things, they've prevented the functioning of nuclear warheads and enormously reduced the ravages intended by the viral scourge. Others are clearing pollution out of your air—if they weren't doing that nonstop, most of you would be dying from inhaling pathogens and other toxicity.

Your myriad helpers aren't doing those things and much more just because I said they can—the spiritually-evolved in my flock work within the universal law of permission to step into another civilization's affairs even when the need for help is so obvious—they're doing it because you are *family* and they love you!

So, my dear children, if you've asked me for help or even if you haven't, you've been getting it all along, but I can't make peace on Earth because that starts with peace in each heart. Years ago I told my child Suzanne, *The heart is the seat of the soul*.

You are immortal souls made of pure love—it's the same energy as light, the essence of our Beginnings in Creator and the most powerful force in all of existence. *That energy IS everything in existence!* Love is what you are, what Gaia and I are, what animals, plants, galaxies, consciousness and our entire universe are!

Love is *creation*, not behavior, and it doesn't mean *liking* whatever happens. Some in my flock, the ones you call dark, do unspeakably evil things. That may make them seem to be the strongest, but they're the *weakest* because they've chosen a heartless void instead of love. They have only the spark of Creator's essence that maintains the life force of each soul and their time on the planet is over. They will be taken to places far, far distant where they'll be given other chances to choose love and if they continue refusing, Creator will take over.

I thank all of you who left your worlds to help our Earth family move toward manifesting Gaia's Golden Age. Yours hasn't been an easy mission, I know—I've experienced every step of your journey—and I honor you for staying steadfast. My love for you is infinite and eternal.

Now I thank you, Matthew, for letting me have a voice in your first message of Earth's new year. It's going to be a phenomenal turning point for my children there!

***Khazarian mafia suffer defeat as they lose their homeland***

Benjamin Fulford Report - January 10, 2021  
[www.BenjaminFulford.net](http://www.BenjaminFulford.net)

After a year of reeling under a fake COVID-19 pandemic attack, the good guys are on the offensive around the world against the Khazarian Mafia (KM). This is happening in Europe, the United States, Japan, China and elsewhere. The results are reflected in such things as the rebirth of the Soviet Union, the collapse of Hollywood, the liberation of Japan, etc.

***If all goes according to plan, humanity will be liberated in 2022.***

Let us start with the rebirth of the Soviet Union. This was seen when the KM suffered a stunning defeat last week as they lost their ancestral homeland of Kazakhstan, multiple sources agree. The country was attacked by "20,000 very well trained, organized and centrally commanded gangsters and terrorists," many of whom were "speaking non-Kazakh languages," according to President Kassym-Jomart Tokayev.

<https://tass.com/world/1384935>

This caused the Collective Security Treaty Organization (CSTO), consisting of Russia, Armenia, Kazakhstan, Kyrgyzstan, Tajikistan, and Uzbekistan to send troops to help Kazakhstan. As this map shows, the result was the de facto restoration of a large chunk of the Soviet Union.

More importantly, the failure of this attack means that the fake Biden regime in the United States is now doomed. One close Biden buddy, the ex-intelligence chief of Kazakhstan, Karim Massimov, was arrested, while another, the ex-president of Ukraine, Petro Poroshenko, had his assets frozen.

This freezing of assets will cut off a lifeline of drug, arms and human trafficking money essential to the survival of the fake Biden government.

The KM, realizing they were about to lose their money-laundering base in the Ukraine, tried, and failed to take over their ancestral homeland in Khazakhstan, Russian FSB and MI6 sources explain.

This means the last country the KM now control is Israel. "Israel is going to have to beat the living daylight out of the KM. It will come down to the Jewish people to say 'I am sorry we can't host you.' The KM are not Jewish, these are fake Jews, they are hiding behind a pretense. They kill right, left and center they steal, they defraud," said a (Jewish) MI6 source.

Here is an example of the sort of human sacrifices to Molech these non-Jewish Khazarian gangsters are into:

January 9th (1/9) January 9, 2022 12:12pm

A fire broke out just before 11 a.m. at 333 E 181st St, a 19-story building. At least 19 people are dead, including nine children,

<https://nypost.com/2022/01/09/nyc-fire-leaves-numerous-people-injured/>

The numerology of 19 dead in a 19 story building, on 1/9 etc. is a dead giveaway. However, unlike the events of 911, their most recent fire sacrifice will not save them because too many of us are now aware of their evil ways.

These changes are possible thanks to the defeat of the Nazi fourth reich -under the rule of Fuhrer George Bush Sr- that arose after 911, MI6 and CIA sources say. The execution of the entire Bush clan and the resignation of Angela Hitler are visible signs of this defeat.

For those of you new to this true -but hidden- history, Hitler was one of the founding fathers of Israel. His job was to terrorize the Jews into leaving their European homeland and going to Israel to be KM slaves.

In any case, while Russia and NATO pretended to be enemies, they were actually allies against the fourth reich. Now, in victory, they have reached a secret deal that will restore de facto Russian control over much of Eastern Europe, MI6 sources say. The deal reflects the results of World War I in that Norway and Finland (countries Russia never conquered) will be allowed to join NATO, while other Eastern European countries will have to seek Russian protection, the sources say.

As for the KM, Russian Parliamentary speaker Vyacheslav Volodin said "Those who abuse children would be sent to work in Siberian mines," adding that rapists "cannot be called human" and that "these b\*\*\*\*\*s should undergo the hardest of labor."

[https://www.bolde.com/pedophiles-sent-penal-colonies-arctic-life/?utm\\_source=Facebook&utm\\_medium=Partner&utm\\_campaign=nmch](https://www.bolde.com/pedophiles-sent-penal-colonies-arctic-life/?utm_source=Facebook&utm_medium=Partner&utm_campaign=nmch)

Maybe the West should set up similar prison colonies in Northern Canada because, as MI6 notes, "Every prime minister we select we later find out he had sex with a two-year-old."

For example, the recently knighted Tony Blair was a well-known pedophile." According to MI6 sources:

He will be arrested very soon and taken to Gitmo. He is currently hiding out. The White Hats in MI6 are working with the Alliance. They despise the satanic pedophile, saying "we can't wait to see him tried and found guilty for crimes against humanity as

well as child trafficking, torture and worse. He will be sentenced accordingly". It was rumored that Blair and George W were lovers. (You remember this was all over the internet during the Iraq war and after, with photos of their closeness. They have all been scrubbed).

In the most recent example, MI6 was looking to see if opposition Labour Party leader Sir Keir Starmer might be a suitable candidate for Prime Minister. Unfortunately, it turns out this former Crown Prosecution Service (CPS) leader was instrumental in covering up for the high-profile pedophile Jimmy Savile case.

Starmer "is actually under arrest and being seriously interrogated. Probably being bitch slapped (maybe he enjoys it, a reason for the second round of interrogation?) He will have a choice to either change sides, using the truth and reconciliation act and possibly become the next PM working with the Alliance, or be executed. (For the sheeple, he will have died from Covid)"

<https://www.thesun.co.uk/news/11639371/sir-keir-starmer-jimmy-savile-scandal/>  
[https://wap.business-standard.com/article/current-affairs/uk-opposition-leader-starmer-tests-positive-for-covid-for-a-second-time-122010501267\\_1.html](https://wap.business-standard.com/article/current-affairs/uk-opposition-leader-starmer-tests-positive-for-covid-for-a-second-time-122010501267_1.html)

This was just one of a series of high-profile arrests of Western KM leaders that were seen last week. These arrests were presented to the media as people "self-isolating due to COVID 19," CIA sources say.

Among those "self-isolating" were fake US Defense Secretary Lloyd Austin  
<https://www.npr.org/sections/coronavirus-live-updates/2022/01/03/1069894911/defense-secretary-lloyd-austin-covid-19>

the Swedish Royal Family,  
<https://people.com/royals/sweden-king-carl-gustaf-queen-silvia-test-positive-covid-19/>

Austrian Chancellor Karl Nehammer  
<https://www.straitstimes.com/world/europe/austrian-chancellor-nehammer-tests-positive-for-covid-19>

US Representative Alexandria Ocasio-Cortez  
<https://www.thesun.co.uk/news/17271070/aoc-covid-booster-miami-florida/>  
and so on.

There is also a big clean-up finally taking place in Australia. In the past week Australia's Governor-General David Hurley, Federal Treasurer Josh Frydenberg, and South Australian Premier Steven Marshall were all "self-isolating."

Australian intelligence agency sources say they are all being interrogated. The arrest of the treasonous Canadian Prime Minister Justin Castro and a whole slew of Canadian politicians will also take place soon, Canadian Secret Intelligence Service sources promise.

The arrests in Canada will take place after the US and Canadian military finish their own housecleaning, Pentagon sources promise. The "self-isolation" of the fake defense secretary was a sign this process was well underway.

We noticed it was followed by a press release by the US Ministry of Defense saying only 25% of the staff at the "Pentagon reservation," will be allowed to go to work. The

press release also says "The Pentagon Reservation will remain closed to the public for tours." We are assuming the "reservation" is being closed for housecleaning. <https://www.defense.gov/News/Releases/Release/Article/2891236/increased-restrictions-on-the-pentagon-reservation/>

As a Pentagon source explains:

The Department of Homeland Security works with a series of "civilian" support organizations that are directly tied to organized crime on a planetary scale...Badges and high-level security clearances have been handed out to criminal elites from around the world...when military commanders refused to run drugs from Afghanistan or traffic children for sex, private military contracting companies took over these vital aspects of warfare.

[The Dark Heart of Treason Infecting America's Military | New Eastern Outlook \(journal-neo.org\)](https://journal-neo.org)

The US military probably calls the Pentagon a "reservation," because it is now just a historical building occupied by token staff.

Certainly, the US military in Japan no longer takes their orders from Washington DC, according to sources at US military bases in Japan. The US military here now supports the newly independent country of Japan along with its allies like Taiwan and Korea, the sources say.

Japan's independence has been demonstrated by the fact this county no longer vaccinates people for "Covid," and no longer goes along with the whole fake pandemic.

Speaking about the pandemic, we are not writing about it much this week because we are sick and tired of the subject. Suffice it to say that with everybody catching "Omicron," and now "Deltacron," the whole thing is degenerating into a farce. On the subject of farce, we notice the KM tried to make it appear that Hollywood elites like Stephen Spielberg, Lady Gaga and Will Smith were still with us by releasing movies in their names. We assume it was all CG. Regardless, these movies all flopped, and now the Golden Globes awards and possibly even the academy awards show will be canceled too. The KM no longer controls the movie business.

Overall, this big house cleaning has been made possible by a high-level cut off of funding for the KM that took place when their illegal financial system server in Antarctica was taken over by white hats, CIA sources explain.

As a result of this, the Federal Reserve Board last week disclosed that JPMorgan Chase, Goldman Sachs and Citigroup were among a group of banks that received \$4.5 trillion in cumulative loans in the last quarter of 2019 for reasons "yet to be credibly explained." MI6 sources say this money was part of a Rockefeller/Chinese move to prop up the fake Biden administration.

Now that this money has been cut off, the Chinese Communist Party is also in trouble. This is because China's real estate sector, which accounts for close to 80% of Chinese finance, is imploding.

This is being seen in stories like "Crisis-hit Evergrande ordered to demolish 39 buildings in 10 days amid shares suspension."

<https://www.news24.com/amp/fin24/companies/property/crisis-hit-evergrande-ordered-to-demolish-39-buildings-in-10-days-amid-share-suspension-20220103>

That is just the tip of the iceberg. Now “Shimao Group, once considered one of the healthiest real estate developers, has gone default, a worrying sign for this highly indebted industry.” As the story linked below notes:

The case of Shimao is more concerning, however, because the company met all the requirements of the guidelines issued by the government, which placed limits on debt about the company’s cash flows, resources, and capital levels.

<https://china-underground.com/2022/01/07/chinas-shimao-group-shares-slump-on-missed-trust-loan-payment/>

The fact the Chinese government was unable to do anything about it makes it clear the entire Chinese financial system, and with it, the government will have no choice but to reboot.

Speaking about a reboot, we are getting more and more signs that the fake operation blue beam alien invasion is about to start. We personally think that if the secret government has spent all those years and countless gazillions of dollars preparing for it that maybe we should go ahead. For those of us who are awake and aware, it will be a great fireworks show. For the die-hard cool-aid drinkers, maybe it will finally scare them into waking up.

This video from New Year in China shows how far hologram technology has evolved.

[https://benjaminfulford.net/wp-content/uploads/2022/01/project-blue-beam-beijin.mp4?\\_=1](https://benjaminfulford.net/wp-content/uploads/2022/01/project-blue-beam-beijin.mp4?_=)

Why not have such shows around the world for a while. As a secret space program source notes “It is time for us to expand our energy for new creations of Light, God & the most beautiful manifestations for all of New Earth.”

**Week 38 Message for the Angelic Warrior Group  
Archangel Michael via Sharon Stewart - January 9, 2022  
[www.sharonandivo.weebly.com](http://www.sharonandivo.weebly.com)**

I Michael am Archangel Michael, here with a message for the Angelic Warrior Group.

Allow me to answer your question, Sharon, please. Her question was, "What does Noah's Ark have to do with this now?" And you realize there is a connection.

God has been patient with humankind. He has watched and helped you through your learning, He has guided you and walked you through some of the worst catastrophes that could be created. But there is one species of humans that refuses to learn, and this is the earthling. For many reasons, in fact, earthlings have tried to get to higher realms, over and over again, you have tried and you have not succeeded. When the era was over, you were given another chance, because that is what God is about: forgiveness and he forgave you your inability to return to Him. He seeks always to find ways to open up His Light to you; it is if you can see it that is the problem.

There have been many Noah's Ark's incidents, where the animals were taken on board a ship, not a water vessel but a space ship in fact, and were preserved in order that the catastrophe that humanity would create for itself would not affect them. Yes, the rains that came at the time of Noah were created by humanity. You still do not realize that the negativity of your weather is due to your own negative energies. Is earth in fact due for another period of grave weather? It is indeed! The energy of the planet responds to the energy of the people.

God did not bring the rains. The people did.

Gaia has divorced herself as much as possible from the third dimensional earth, the earth still so many live upon. This earth will see much sorrow in coming years, and this is because you create that sorrow. You have brought all of this upon yourselves, and as many of you have noted, it is time to face up to what you have created now, and learn to change yourselves through it. Those who will do so will see God's Light. There will be weather changes because the weather responds to your mindsets; there will be many changes in your systems and that is because these changes are created by you.

So how do you focus? On rain or shine? Which is your choice? Where do you hold your heart despite the gloomy outlook you may see before you now? That is what He asks of you. Do you hold Him in your heart or do you hold what you see as the reality in your heart? Do you have faith in His love for you or have you forsaken all, including divine love?

It is always darkest before the dawn.

This does not mean you do not deal with reality. In fact you do, because you are the creators of it, therefore you must live and experience it as well. All that you create, presumably has been created by you to enjoy but many of you do not know this. You believe some other factor as being the creator of life and you are a victim of its dictates. This is misuse of universal law. You are the creators, and you were given many opportunities to create a world of wonder for yourselves but you did not. However you experience your reality, go with God in your heart. Do not forsake Him, do not say this is a Godless world because He is with you if you will let Him be.

You must all band together because there is safety in numbers. Yes, grouping with others of like mind, perhaps P groups in your country, will help you to stay safer. The more informed you are, the safer you will be as you will be able to take appropriate action.

We will continue with these meditations in order to reduce the severity of what is to come. 2022 will be a year of great change. Much will be revealed to the public, and the entirety of what you call life will be changed.

Many of you will turn to God and blame Him for what has befallen you. This is an abdication of your responsibilities of divine creation, something that has plagued earth for many eons. He has given you the ability to create your own lives, your destinies and goodness for others yet it has come to this sad state. As I said before, earth attracted this darkness. And now you see where it is taking you – to a place of godlessness.

He waits to see what you will do next. Each and every one of you, do you pledge your heart to Him now? Do you pledge your livelihood to Him? Do you ask His help in bringing Light to you, your children, your city and the rest of the world? He is doing this with those who have asked, but now please open your hearts and allow Him to work through you.

Be not angry at those who are still in ignorance. We realize it is difficult when you understand but they do not. You are a collective and you all must hold Light. For some this Light has gone out, or it glows dim now, and for those you must pray the hardest. Do not judge them, do not blame them. Pray for them, those who seek to take this world away from its God-given bounty.

And this week, we again will ask you to flow your Love into the fifth dimensional grid. Also, please send your love to someone who has gone against all that you now know to be the path that would save humanity. Send your love to one who you call an enemy, and bless them with all that you would want for yourself.

It is time for earth to finally heal. He has decreed that you will make the change that has been so long in coming. Many many centuries of trial and error and now you are positioned to get it right; to finally ascend as a race. We are here for you, always. Hold us in your hearts and let no ill will in.

I am Archangel Michael. I am your guide, I am your champion, I stand behind you when you are challenged, we are Legion. Adonai.

## ***2022: Galactic and Earth Disclosures***

Commander Ashtar via Erena Velazquez - January 6, 2022

Dear Brothers and Sisters, I am Ashtar, the Commander of the Galactic Federation of Light, and I am extremely delighted to communicate to my Brothers and Sisters in the New Year of 2022. The upcoming year is going to be full of the Galactic and Earth disclosures. No more hidden truths, everything is going to be flushed out to the surface.

The biggest turnover in the human history, you are going to leave behind completely the Matrix and step out into a full spectrum of Light. We have been waiting for this moment for thousands of years, and we are very happy for the humankind to arrive to their next step of evolution. Nothing in the Cosmos stays the same, it's always evolving and changing.

The high energies, which constantly are reaching your planet, are going to speed up this transition. Millions of humans are going to see the truth. The high vibrations are breaking the veil of 3D, and the asleep ones will get awake. The elevation to New Earth is happening softly not to scare the rest of the population who are not aware about the Ascension. Please, open your heart to receive the high vibrations and blessings that are coming to your way from the Cosmos.

We have been in war with the Darkness for the millions of years. The Dark Entities called for help from Orions, Luciferians and others to arrive to the planet Mars to attack mankind from space. My fleet together with the Galactic Alliance were able to block their arrival to their destination.

The Star Wars are real and are not a science fiction. Your society was excluded from the truth about the existence of other civilizations and told that no life existed beyond Earth. The controllers fed humanity with their lies and deception. Meantime, they have their Space Program since Forties and the bases on the Moon and some other planets.

The Light is breaking down the platform of enslavement and deception. The evolution of your civilization can't be stopped or interfered anymore, it's Divine Plan. Just follow the flow and stay in the Now, not in the past or future. Unleash your powers hidden inside each of you. Thank you Universal Channel.

My dear Brothers and Sisters I am sending my Love and Strength. Everything what you need, it's within your reach.

## **Kryon on Meditation | Lee Carroll**

*by Lee Carroll, January 7, 2022, via email*

There is sometimes criticism of those who meditate and channel for long periods of time every day. Many would say: "What good is this doing anyone?" The question itself reveals a misunderstanding about the very process.

Meditation is not just to enhance the individual. The critics don't understand that this is Old Soul energy that goes right into the planet, and the planet reacts, since it's actually part of the Merkabah of the one meditating. But it's not a linear reaction.

A few doing this actually can raise the vibration of their entire area, because there are so many of you willing to sit and be quiet and know this.

This is the beginning of new sight. These are the things that we've spoken of before, except that we've never precisely attuned this information for those Old Souls who are awakening. This is a new bridge. It's a bridge that's now very crossable and is opening.

What happens when this planet starts to be still and there's no activity and there's very little pollution? Right now, this is what is happening. All the activity and noise is now quieted for a moment in time.

In that quiet space, all of these new intuitive things are able to flow to the Old Soul, which couldn't get through before. Are you starting to recognize and understand some of the reasoning behind what is taking place on this planet, and why it is quieted?

This is only for a while, dear ones, and it will be over. But right now, in this place where everything has stopped, Old Soul intuition is starting to fly through that veil into the consciousness of many of you.

The pineal, in the Old Soul, is starting to be very active and will begin to give visions to those who have the ability to see in this way, and who are the vessels for it and who are the channels for it.

New processes are starting to occur, even for the healers who have been doing this for 40 years and more. Many healers are sitting back and saying, "Oh my, did I miss that? How did this happen?"

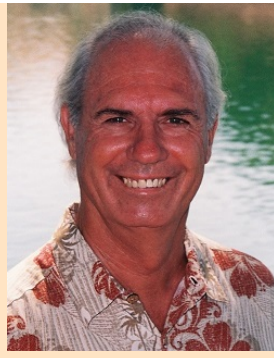

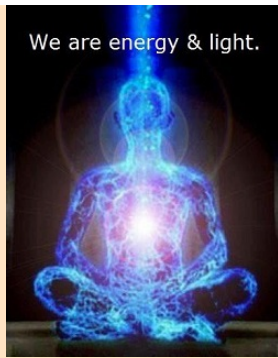

Dear ones, this is what happens when you quiet yourself. You begin to look upon your own work and you start to see that it may even be bigger than you thought. It's beautiful.

It's like a change of channels on your radio from one frequency to another, and you're starting to learn more by tuning to the new frequency. - Kryon of Magnetic Service.
