Prosecuting the Globalists for Crimes Against Humanity

Dr. Reiner Fuellmich Global Genocide COVID-19 Headhunter

Summary

Dr. Reiner Fuellmich is an international trial lawyer who has successfully sued large fraudulent corporations like Volkswagen and Deutsche Bank. He is a Founding Board member of the German Corona Investigative Committee. He is licensed to practice law in Germany and California USA. His worldwide network of 1,000 lawyers and 10,000 doctors from every field of science have filed a lawsuit for violations of the Nuremberg Code. They have collected undeniable evidence that the COVID-19 pandemic is in fact a planned criminal operation. According to Dr. Fuellmich, a second Nuremberg trial may be imminent, to prosecute all who are complicit in this unprecedented and horrific crime against humanity.

Worldwide Arrest Warrant for David Rockefeller, Jr. As Khazarian Mafia Takedown Continues

Benjamin Fulford Report - January 24, 2022

www.BenjaminFulford.net

The takedown of the Khazarian Mafia (KM) is accelerating. A worldwide arrest warrant issued for David Rockefeller Jr. (note: source not cited who issued the warrant) means one of their top bosses is now a hunted man. Meanwhile, riots and demonstrations around the Western world are bringing down other KM leaders like Emmanuelle Macron of France and Justin Castro of Canada.

Already, the Rothschild clan has admitted defeat and is now under the leadership of Nathaniel Rothschild. He promises that from now on his clan will stick to business and stay out of geopolitics. Here is a link to his company Volex.

<https://www.volex.com/>

The defeat of the very top levels of the KM is leading to historical changes around the world. This includes the demise of the UN, the rebirth of the United States and the start of a new age for the planet earth. The overall story is the end of millennia of rule by a Satanic cult.

Since so many people are now waking up, it is time to once again put out background information about who the revolution is against. Barry Chamish, a Jew who lost a third of his family to the holocaust, outlines the real history of the Sabbatean/Frankist cult (the people I call the Khazarian Mafia). He notes, for example, that "At the 1936 world Zionist conference Chaim Weizmann said 'Perhaps only 2 million will survive the upcoming holocaust but they will be ready for life in Palestine.'"

If this is news to you, I strongly recommend you take 40 minutes of your time to watch the video he was killed for recording. It will tell you all about the links between 666, the Illuminati, Zionism, the Rothschilds etc. He points out very clearly these people are not Jews.

<https://odysee.com/@TheSearch4Truth:8/trim.8F0E2F33-3161-43A1-9A68-AAA852586A6B:5?t=1565>

However, Chamish only traces the problem back to 1666 and fails to realize we are dealing with an ancient cult of human slavers known as the Hyksos who worship a goat-faced god with a forked tail that we know of as Satan. A holocaust is a burnt offering to Satan. The Jews have been their slaves for thousands of years.

This writer only learned about these people when they invited me to join them and offered great wealth and power as long as I agreed to participate in their plot to kill 90% of humanity and enslave the rest. I have been fighting them ever since. The ongoing fake pandemic and very real vaccine mass murder campaign is just the latest attempt by these Satanists to murder enough people so that they can stay in power and enslave humanity.

At the four-minute mark of the expert testimony linked below, you can confirm the spike protein in the toxic vaccine batches is race-specific and Ashkenazi Jews are immune.

<https://www.bitchute.com/video/jhyYTViKhNUY/>

Two different Mossad sources say that almost all of the Israelis are given the saline solution, number 01 vaccine. And yet, even though Israel is one of the most highly vaccinated countries on earth, they have one of the highest COVID death rates. What is happening is that the KM are using vaccines to kill dissidents among their Jewish slaves. In other words, obedient sheeple are given placebos while troublesome ones are given lethal injections.

The worlds' military and intelligence agencies are in the midst of a major offensive against these criminals. The Jews are also revolting. So are the aware people of the West. The revolution is now unstoppable. Soon the whole world is about to see the US equivalent of the fall of the Berlin Wall when the White House is demolished. In one video posted on YouTube on Monday, a construction team appears to be building the barrier between the White House and the iron fence that already surrounds the property.

<https://americanmilitarynews.com/2022/01/pics-videos-white-house-is-building-mysterious-concrete-barriers/>

According to the CIA "The concrete blast barricades being placed around the White House is so the detonation blast (when the WH is imploded) won't go out into the street and surrounding area. It's coming soon. You have seen the videos online of the late-night detonation flashes going on inside the WH on the second floor. The pillars are being weakened, in preparation for the upcoming implosion. This is also proof that the WH is empty. Brandon [Biden] is hiding at another location, could be anywhere.... ??? "

As a confirmation something historical is about to happen, US President Donald Trump reveals the United States Military is in charge of the country, that a plan of action is in place to return our nation to a constitutionally limited representative republic and that a blackout is coming soon. He also indicates that he never received a vaccination.

<https://darkoutpost.com/news/dark-outpost-live-01-17-2022-trump-military-in-charge-of-country/>

In corroboration, a Pentagon source says something really strange is happening at the White House, and that an EMP attack may soon be upon us. This "EMP attack"

may be an excuse for a complete shutdown of the internet.

A mysteriously under-reported incident in Uruguay gives a hint about what may be coming. Here is an eyewitness account:

“First there were fires, then 44C (111 F) temperatures, then hurricane-force winds, then the UNPRECEDENTED floods and now EMP SURGES THE WHOLE COUNTRY...F*cking burned-out a TON of appliances...we are under attack.”

Uruguay is one of the many Southern hemisphere countries where the KM fled to avoid their planned holocaust (burnt offering to Satan) of the majority of humans living in the Northern hemisphere.

The ongoing counterattack against the KM and their fake pandemic was made possible by an ongoing systematic purge of their top ranks. This can be seen in the corporate propaganda media in the form of multiple top people as catching COVID.

As readers are aware “testing positive for COVID and self-isolating” is a code for arrested and under questioning. Among those recently “self-isolating” is the traitor top US General Mark Milley, fake US Defense Secretary Lloyd Austin, Israeli Defense Minister Benny Gantz, top Vatican honchos Cardinal Pietro Parolin and archbishop Edgar Pena Parra. They’re among the many who “have COVID despite being vaccinated.”

<https://www.dailymail.co.uk/news/article-10411255/Top-U-S-general-Milley-tests-positive-COVID-19-spokesman.html>

<https://www.timesofisrael.com/gantz-becomes-latest-government-minister-to-catch-covid-19/>

<https://www.arabnews.com/node/2006896/world>

Many sleeper agents or controlled opposition figures are also being outed. For example, US military intelligence psychological warfare expert Patrick Bergy, who worked with former Defense Intelligence Agency head General Michael Flynn says “Based on my personal interactions he is dishonorable.”

We also note that New Zealand Prime Minister Jacinda Ardern has suddenly canceled her wedding saying “I just join many other New Zealanders who have had an experience like that as a result of the pandemic and to anyone who’s caught up in that scenario, I am so sorry.” She looks terrified in the video and rightly so, she is about to be executed, CIA sources say.

Another person who looks really scared and stressed out is French President Emmanuelle Macron. The CIA sent us the following pictures with the comment “Macron without makeup and without TV lighting has really a bad face. The guy is clearly at the end of his rope. (Is this even Macron)?” (Sorry! Wasn’t able to embed pictures).

He is probably scared to death by the mass demonstrations against KM regimes taking throughout Europe. For example, take a look at unreal scenes in Brussels as police flee underground, only to have metal fences land on them from the baying mob. (Sorry! This format doesn't allow to embed pictures or videos).

Soon hopefully Justin Castro of Canada (for background check here: <https://www.henrymakow.com/>) will also get long-overdue justice.

<https://www.bbc.com/news/world-us-canada-59833123>

As this video shows, Canadian truckers are now descending on Ottawa, as part of a movement to remove the criminal Castro.

<https://www.youtube.com/watch?v=2KmuYWTsUAg>

Among his many other crimes, we note Castro has recently authorized a \$31 billion fund to “compensate indigenous children.” The fund was authorized after an international media campaign decried the “mass murder” of first nations children at residential schools. The problem is that not one body has been found at the “mass graves,” mentioned in the reports. The fact is the mortality rate for children in residential schools was actually comparable to the Canadian average from 1950 to 1965.

<https://www.dorchesterreview.ca/blogs/news/in-kamloops-not-one-body-has-been-found>

In any case, you can be sure only a tiny fraction of this “fund” would actually end up in the hands of first nations people. The rest would go to the pockets of his KM handlers like the Rockefellers.

These are the Rockefellers who used their fake Biden regime to cancel the keystone pipeline so that Americans would be forced to buy oil from their proxies in Saudi Arabia and Russia.

<https://energynow.com/2022/01/huge-mistake-one-year-later-keystone-xl-cancellation-represents-a-massive-missed-opportunity/>

The Saudi Royals are KM slavers who to this day have been running a slave regime named after their own family. Even the corporate propaganda media is now reporting “the modern-day Saudi Arabian royal family are descendants of Jews who fought early Muslim tribes.”

<https://m.jpost.com/middle-east/iran-news/article-692595>

The fact that this is coming out means the Saudi family no longer runs that slave plantation pretending to be a country.

Speaking about the Rockefellers, it looks like they are trying to pin the blame for their crimes, including the fake Biden regime, on Barack Obama. This is like a lizard shaking off its tail to escape.

With their KM masters being exposed, every day more countries are doing the fast backpedaling on the fake pandemic as their puppet leaders can see the noose hanging around their necks. For example, England, Ireland and Scotland have lifted all COVID-related restrictions.

The WHO is also backpedaling while simultaneously asking for government funding so they no longer have to follow the agenda of vaccine pushing corporate sponsors like the Bill and Melinda Gates Foundation.

<https://www.theguardian.com/world/live/2022/jan/20/covid-news-live-who-recommends-lifting-international-travel-bans-and-abolishing-proof-of-vaccination-requirements?page=with:block-61e8ae858f082d5471705795>

<https://www.japantimes.co.jp/news/2022/01/23/world/us-who-independent/>

Canada's health authorities are also looking for an escape by admitting they exaggerated the dangers of COVID.

<https://thepulse.one/2022/01/05/ontario-canada-admits-50-of-covid-hospitalizations-not-from-covid-deaths-count-may-also-be-misleading/>

"Their COVID agenda is falling fast, but this does not mean the fight is over. The planet is a big place & there will be pockets of KM satanic Deep State agents that will keep pushing this agenda in their small areas of control. What we must realize is that — WE THE PEOPLE CAN NOT COMPLY. Without compliance, they have NOTHING. ZERO POWER. Stand your ground. Hold the Line. The Best Is Yet To Come," is what a White Dragon Society linked CIA source says.

Among events "yet to come," may be the fall of the communist regime in China. It turns out China's real debt is now an astonishing 833% of GDP or \$118 trillion. This is because they have built the equivalent of 27 Empty New York Cities.

<http://udumbara.net/china-builds-27-empty-new-york-cities>

"This is the trigger for a collapse of the global financial system," a CIA source says noting the widely publicized problems of the \$1 trillion indebted Evergrande is "is pocket change."

Also, look at the picture (sorry!) below to see what came from the Evergreen container ship when it got stuck on purpose in the Suez Canal and was later taken over and searched for several weeks at another location. The list includes \$120 Billion cargo seized, 1200 children rescued, 1350 children found dead, 30 years of Climate Change weapons seized (worth \$40 Billion), 6 stories of weapons (WMDs), guns, bombs, missiles found, 2 million vials of fake, deadly, vaccines found, nuke warhead heading to Romania seized, and the ship was rigged with explosives.

Finally this week, we would like to show our readers this clip of pyramids found in Antarctica (not able to embed picture). The outline of the biggest pyramid seems to be a whitened version of the Giza pyramid in Egypt. However, the fact we are being sent such a video by a high-level military source is a good sign some sort of woo woo space/Antarctica/UFO event is being planned. Speaking of space events, here is a video (sorry again!) showing that the so-called Tonga eruption was a nuclear missile coming from space.

The Transformation of Your Reality

Lao Tzu channeled by Erena Velazquez - January 24, 2022

Greetings, I am Lao Tzu, the ancient Chinese philosopher and founder of Taoism, the spiritual principles that are relevant to the world all of you live in this moment. I am very happy to send a message to humankind.

I represent the group of Ascended Masters who are helping Mother Earth and her inhabitants in this extremely important transition to a New World, full of Light and Love.

The transformation of your reality is happening, please open your heart and eyes to see it. The Darkness is losing their battle with the Light. Their underground facilities and bases are getting destroyed by the Truth Fighters. One of the most recent huge detonations was related to the destruction of one of the bases of the Dark Entities. Your media said it was related to the eruption of volcano Tonga. Actually, it was both events.

The structure of the Matrix, which was cleverly designed by the Corrupted and Evil Souls, is falling down each day more and more. They can't stop it, as many of you are starting to see beyond the veil. Your reality was always an illusion, nothing in it was real. You were allowed only to stay and move in specific parameters and not allowed to leave it.

Humanity was fooled and manipulated for thousands of years, not even knowing what the real truth is. Most of you now know that everyone on Mother Earth came from other Star Systems, Galaxies and Universes. You were lied to that no civilizations exist beyond your planet, which is not true. There are billions of civilizations, and each day millions of ships are passing above Earth.

This fake reality is dissolving, and humanity will create a genuinely free and happy world, where no authority exists over each other. I am very excited, what is happening on your planet, and we are sending powerful and highly vibrational energies from us, the Ascended Group of Masters.

The ones, who pretended to be Light, are going to be exposed. You will be surprised how many YouTubers, Channelers and etc. don't represent the Light Community, the opposite work for the Dark Entities.

The power-hungry entities will be forced to give everything back, what they stole from people. Humanity has reached their limit and are fighting back around the globe. Meditate daily and trust that you can bring peace and happiness to your planet. Your powers are within your soul. I am here to encourage all of you, and I am supporting your fight against tyranny.

The Golden Era is within your reach, the long battle between Light and Darkness is coming to the ending stage. The Light is going to win. Thank you, Universal Channel. You are the Light. All of You are One. Lao Tzu.

High Priority! Please like & share this with your FB group & friends!

The Collective: As you know, many of you are at work on the ships in your sleep state, assisting galactic and intergalactic councils in their work to establish Peace permanently on your planet, and to safeguard it wherever possible in the galaxy as a whole, and to encourage Earth's and humanity's Ascension.

You are at a crucial tipping point on Earth's timeline, so much help has been called in (and you answered, or you would not be here now). Many of you work within the Earth, awakening grid lines, pre-ancient technologies in the pyramids and other sacred sites around and within the planet.

You visit these places etherically, calling into action aspects long hidden of Lady Gaia's own deep inner wisdom, and awakening those wise pre-ancient beings whose sleeping presence has guarded these sites for thousands of years. Nearly all have awakened now, and are assisting your efforts.

You are receiving great support for this work from so many beautiful beings, around the Earth and on Her. And so now we would say—join the awake state to the etheric! Realize the importance of your presence on the planet and the constant interconnection of your work with even the highest of the Angelic presences.

Give Thanks

Give Thanks for all you are able to do with your own rising vibration, as you reach beyond survival-based living, and claim independence and full sovereign control of your destiny. Let your Earth-self know how important they are. Alert your soul, higher self, and soul family that you are ready to move into the full aspect of your Earth mission, in ways that your waking self will become increasingly aware of, and benefit from.

The other half of this beautiful realization of your own god/goddess presence is to intentionally call in the support and active intervention of those in the higher realms, and those galactic family and friends on the ships around Earth, upon Her surface, and in Inner Earth.

Tell them that you require and call forth their assistance — that all of humanity calls out to them now on a higher level, requesting all forms of benevolent intervention.

Interventions that respect human free will, yet drastically speed along NESARA's full enactment.

Thank them for all they are doing now, and offer your increased level of assistance. Say you are ready to stand as a Light Warrior who protects and guards the principles of a free and independent race of beings who must now be sovereign.

Then open to receive!

Image the Earth in the Transmuting Violet Flame of Saint Germain, as you stand or sit up straight with hands open and facing upward, or hands over heart, as a sign that you are fully dedicated to this mission.

And so, your affirmation or proclamation, **to be spoken aloud each morning**, might sound something like this (knowing as you do so that etherically, all of us and millions of other Light Bearers join with you):

Prayer for Planetary Liberation

“We call upon the Great Source Consciousness of the All That Is, the Creator Source Energy from which we came!

“We ask to be fully engaged in the Ascension of our own spirits and consciousness, and to move along the Ascension path in Joy and Grace.

“We call forth healing for all aspects of our mind, body, and spirit that require healing from past and present experiences and conditions on this or any planet we have ever lived on.

“We ask to be engaged fully as Light Bearers, and call forth complete Divine Guidance, Direction, and Assistance in our Earth missions we drew up before birth.

“We call forth the full assistance now of that Divine Central Source that is pure Love—the Divine Feminine in all Her Creational power, and the Divine Masculine and all His Divine Protection.

“We call forth the assistance of all Beings in the higher realms serving within the Office of the Christ [the crystalline energy consciousness] to assist Earth at this time!

“We petition you now: Move swiftly with the Legions of Light to release and dissolve for all time-space all impediments to the full enactment of NESARA law.

“We petition you now: Move swiftly with your Legions of Light to nullify the effects of all false chemicals, all illness, all toxicity, all war and warlike action to which human beings are being exposed, whether in mind, body, or spirit.

“We call forth and require Divine Healing for all, Divine Protection for all, Divine Guidance and Encouragement for all upon the Earth at this time.

“We blaze the Violet Flame of Saint Germain, to envelop the entire Earth and all Her people, and all Earth systems, experiences, and conditions!

“We petition you now, Angelic Legions and the Galactic forces, including all members of the Ashtar Command: Assist Earth by surrounding her with those frequencies needed to pave the way for NESARA’s immediate enactment.

“And we call forth the power of the Archangels, the Earth Beings who represent in higher levels the souls of all trees and plants, all rock and soil, all animals, air, water, and ethers—

“HEAR US NOW!

“Join with the Ascended Masters and the power of all our souls, and break forth, through the false shields that have for too long blocked your

empowered interventions, and intervene on a level such as never before seen on this planet!

"Pave the way for NESARA's enactment, including complete disclosure of the nonterrestrial and extradimensional beings who live on and around Her in this Universe!

"Pave the way for NESARA's immediate enactment, including full announcement of the arrests of those responsible for the old false government structures around the planet, and those carrying out their orders.

"Pave the way for NESARA's immediate enactment, including announcement of the tribunals and trials that these ones and their false overlords will now face.

"Pave the way for NESARA's immediate enactment by steadying the heart-mind of every child, woman, and man on the Earth so that they are not only ready for complete renewal of all life on this planet, but ready to celebrate and accept the great changes unfolding now, in the liberation of Earth and Her beings.

"And pave the way for our ability to rejoice, to give Thanks, to know that this is so, now and ever more.

"That all slavery status upon the Earth is hereby converted to a free and independent humanity, living in free and independent states, nations, and villages.

"Hear us now, and answer in the fullest possible measures!

We call upon you, knowing the Time is Now for these unprecedented, benevolent interventions to be accomplished!

"We welcome you, friends and beloved family members, and we give Thanks. We give Thanks. We Give Thanks!

"And so it is. Namaste!"

Awakened Citizens Become Active

Lynn Buess, MA, Ed, International Numerologist

Published in Sedona Journal of Emergence - February 2022

World politics and policies are more obviously being administrated under the thumbs of the United Nations and China, and we're seeing increasing disregard to national sovereignty. The media spreads fear of wars and threats of conflict, disease, and social collapse to keep the masses confused and controlled.

The numerical cycles of the month and year focus on medicine and authority, among other issues. Citizens across the globe show immense growing concern over the experimental gene therapy modification vaccine.

The media and collaborating medical exponents strive to explain what is happening

as a troublesome increase of injected high school, college, and professional-level athletes start dropping seriously ill and dead in the middle of competitions (see <https://www.usnews.com/news/health-news/articles/2021-11-29/covid-may-trigger-heart-condition-in-young-athletes>).

They could come up with new omicronic explanations as to why vaccinated athletes and millions of others experience serious maladies or death. The national and international monetary markets and related financial markets show all the signs of the financial crisis of 2007 and 2008, and things could get even worse.

The growing inflationary spiral is now clear to those who can see. Efforts to go digital are being pushed by the same people who have given us the experimental gene therapy modification vaccine.

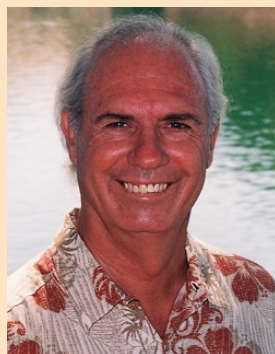

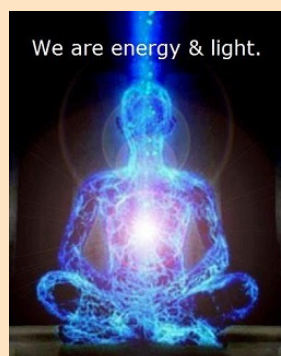

Awakened citizens are becoming more active and open to questioning policies about which they thus far have been given limited to no choice.

Through the fog of this surreal timeline shines the ever-increasing light of a new day (not to be confused with the media clamor of a new normal). Amid gross darkness, a higher light grows on the planet and within the hearts and souls of good people who are growing tired of collectively being used and abused.

The strong and truthful will once again stand up, and little by little the courts, political halls, and other institutions will be cleaned out and cleaned up of those who live in lies and contempt of humanity.
