

***It's About Control, Not Sickness.  
Draconian Tactics Will Continue in Canada***

Archangel Michael via Sharon Stewart - February 21, 2022  
[www.sharonandivo.weebly.com](http://www.sharonandivo.weebly.com)

I am Archangel Michael with a message for the Angelic Warrior Group. You see events have developed in certain areas of the earth. They are begging the people to look and to see clearly.

You see this is no longer about a sickness, it is about control. That has been the sickness that pervades the rulers of your planet and everything they do is geared to increasing their control over you. They are sociopaths. They know no love.

Love is the weapon to use against them. This week, again, I would ask the angelic warrior group to rain your love upon Ottawa, Canada. The truckers have left but the leaders are still there and now we desire to see some change, some good change.

Draconian tactics have been and will continue to be measured upon the Canadian people. They have taken one of the foremost positions in the war against oppression. For this reason, we must send them our love and our light, and help them to move forward effectively against this system of control.

I am Archangel Michael. I am your servant, I am your guide, I am your teacher, we are Legion. Adonai. Michael.

### ***It's not just the U.S. but the Entire West that is Bankrupt: Both Financially and Morally***

BenjaminFulford.net - February 21, 2022

“What do you do if a public figure you know of as a nice old lady has chopped a child’s head off, drunken their blood and eaten their heart?” responded a top MI6 figure when asked why Queen Elizabeth II had “tested positive for Covid” (that is, been arrested).

We heard before from a cousin of the Queen that the British Royals (until recently) had annual human sacrifices at Balmoral Castle. Now we know the details because video evidence of this has been given to MI6.

The reason this is coming out now is that the Rothschild family and other top Khazarian mafia bosses like the Rockefellers have gone bankrupt. They have been pulling out all their blackmail cards, such as the one they had against the Queen, in a desperate bid to stay in power. “It is a compromise and control mechanism and it exists worldwide,” says MI6. “Every painting in every government office has a camera in it,” MI6 continues, explaining why it is so hard to “drain the swamp.”

“A lot of people are forced to do it with a gun to their head” the source continued while noting that “A lot of the worlds’ military has also taken part in human sacrifice.” This explains why I saw a look of sheer horror on the faces of George Soros and Paul Wolfowitz when I asked them about the families that own the Federal Reserve Board. They must have been recalling their own bloody initiations into the top ranks of power.

It also probably explains why the speaker of the Canadian House of Parliament was too scared to answer a question from an MP about who in the government worked for the Rothschild’s World Economic Forum (see below later in the report for the answer).

Even Canadian elected officials aren’t allowed to question the World Economic Forum ties to Canada’s Parliament –  
Prepare For Change

This is all coming out now because a growing number of people, and not just so-called “conspiracy theorists,” are waking up to the fact our governments have been hijacked by an ancient Satanic cult.

The question is, what are we going to do about it? Since the Queen and many other top leaders were born into this cult and either had to go along or else be sacrificed

themselves, this may be a case for a truth and reconciliation process. Time, and public opinion, will tell.

In any case, the issue now is to prevent these Satanic leaders from starting World War III as a get out of jail card.

This brings us to the subject of Ukraine. High-level Rothschild and Rockefeller servants gathered in Berlin last weekend to beat the drums of war there as their response to bankruptcy. These servants include US Vice President Kamala Harris, UN chief Antonio Guterres, EU Commission head Ursula von der Leyen, NATO chief Jens Stoltenberg and Ukrainian President Volodymyr Zelensky.

Russian Foreign Minister Sergei Lavrov notes that Albania, Kosovo, Bosnia and Herzegovina are sending “mercenaries” to fight in Ukraine,

<https://balkaninsight.com/2022/02/18/albania-kosovo-bosnia-deny-sending-mercenaries-to-ukraine/>

The reason the Rothschilds and Rockefellers need to hire Albanian mercenaries, however, is because regular US troops will not start a war with Russia to save the FRB from bankruptcy.

A CIA source comments that “While the United States and the Britons are convincing the whole world about Russia’s invasion of Ukraine...the Minister of Defense of that same Russia left for Syria to inspect the exercises of the Pacific, Northern and Black Sea fleets in the Mediterranean Sea.” “Russia will use its strategic facilities in Syria in the event of military confrontation with NATO” confirms the official Tass News agency. <https://tass.com/world/1404543>

This means the Russians are saying they will destroy the head of the Octopus in Israel instead of just dealing with their men in black in Ukraine. In other words, checkmate.

However, in what they hope will be a total game-changer, the US secret space force is about to “put a holographic ‘shell’ over some areas. That means that SOME of the world will live in ONE reality — a fake ‘sphere’,” according to a NASA source. The video below from England appears to show exactly that.

<https://www.ournewearthnews.com/2022/02/19/project-bluebeam-in-uk-giant-orange-circular-rainbow-thingy-formed-in-the-sky-during-eunice/>

The source adds that “some of the world will live with nature, the real world. HOW FRICKING CRAZY will that be?”

This move to try to put people into an alternative reality is probably linked to massive crypto-currency mining operations and facilities in Ukraine. The Ukraine government has also just legalized crypto-currency. This prompted Serhiy Tron, founder of White Rock Management to say, “By creating a high-tech, innovative cryptocurrency market that plays by clear rules, the country expects the speedy arrival of crypto investors from all over the world.” <https://bitcoinmagazine.com/markets/ukraine-legalizes-bitcoin>

If you look at the board of White Rock Management, you can tell it is a Rothschild front. <https://ru.linkedin.com/in/giovanni-salvetti-71809827>

In other words, the delusional Rothschilds are hoping to escape from reality by moving into the “metaverse” and using digital currency.

MI6 notes that if the Russians take over the nexus of money laundering and cryptocurrency trading in the Ukraine “they will have all the information on all the worlds’ spies.” That is why most spies are now locking themselves in their houses, they note.

Of course, the KM is also trying to stave off bankruptcy in the real world by raising prices of commodities like oil and copper, but it is not enough, says MI6.

What has to happen now in the real world is that we have to permanently remove these people from power. This brings us back to Canada where people in reality-based businesses like trucking and farming have successfully overthrown the Satanic Rothschild government of Justin Castro.

Castro is now under house arrest. Also, here is the answer from the Canadian Secret Intelligence Service to the Canadian MP’s question about who in the government works for the Rothschild World Economic Forum:

-Justin Trudeau – Prime Minister

-Chrystia Freeland – CA Deputy Prime Minister & Minister of Finance

-Katrina Gould – Minister of Families, Children and Social Dev., Empl and Social Dev

-Francois-Philippe Champagne – Minister of Innovation, Science and Industry, Innovation, Science and Economic Dev. CA

-Ailish Campbell – Canada’s Ambassador to the EU

-Elissa Golberg – Asst. Deputy Minister for Strategic Policy, Global Affairs Canada -

Renee Maria Tremblay – Senior Counsel Supreme Court of CA

-Jagmeet Singh – Leader, New Democratic Party – in lock step policy-wise with J. Trudeau throughout the pandemic.

A CSIS source adds “Brother, according to ELECTIONS CANADA, the number of lost/missing ballots was greater than the margin of Justin Trudeau’s election win in 2021. His share of registered voters was 20.3%. He is not a valid PM, based on the math of Elections Canada!!!!”

That is why he has been arrested, MI6 confirms. “We have placed the Canadian Premier under house arrest and banned his travel, the press and public. His passport has been canceled as Her Majesty’s Subject,” they say.

Australia and New Zealand are also being liberated. Australians are demanding the removal of all Rothschild traitors from their government.

We even have a Rupert Murdoch news agency confirming the whole pandemic was a big lie noting *“formal confirmation from the Australian Bureau of Statistics that not only did so-called “Covid deaths” account for just one per cent of fatalities during the pandemic, but 92 percent of that one percent were people with pre-existing health problems ranging from pneumonia to heart disease.”*

However, the battle is far from over yet.

We all need to take direct personal action if we are to win this. In my case, I will be filing criminal and civil charges against the board of the Foreign Correspondent's Club of Japan. They have actively participated in a cover-up of the Fukushima mass murder event of March 11, 2011.

For this reason, I will file war crimes charges – punishable by death - against them. I will also charge them with violating my human rights by trying to force me to wear a mask and yet refusing to provide scientific evidence on why this is necessary. They violate all principles of journalism by refusing to debate based on facts and evidence as they drive the club to bankruptcy because of a fake pandemic.

I will also file civil charges against them for financial losses caused by their refusal to let me attend press events, which is my right as a member of the club and a member of the working press.

The Japanese police have already told me they are willing to investigate these charges. The Japanese self-defense forces also promise their support.

I have also informed the club that the charges will not go ahead if they agree to hold an official press conference to discuss the Fukushima mass murder as well as the fake pandemic.

Other journalists need to take similar action to ensure the Khazarian mafia is removed from control of their corporate media apparatus including the New York Times, the Associated Press, etc. Only then will the last of the sleeping sheeple wake up.

Police and intelligence agencies also need to take more action. For example, we have reliable eyewitness testimony from a member of Japan's foreign ministry that Bill Gates was in Pakistan recently pushing vaccines. For years people have been sending me information that Gates had been executed or was dead. It seems Gates was trying to prevent us from sending military police to arrest him for mass murder by pretending to be dead.

The famous lawyer Dr Reiner Fuellmich has indicted **Anthony Fauci, Tedros Adhanom**, the Director-General of the World Health Organization, **Bill Gates, BlackRock, Pfizer & Christian Drosten**. **Drosten** is the German virologist who heads the EU's Covid 19 campaign and is the person who first recommended the use of fraudulent PCR tests. [https://www.youtube.com/watch?v=ZBz\\_WkIO8SU](https://www.youtube.com/watch?v=ZBz_WkIO8SU)

These proceedings are being monitored and acted upon by the worlds' intelligence agencies, CIA and MI6 sources confirm.

Chinese Khazarian mafia puppet leader Xi Jinping is also being targeted for his role in the fake pandemic, according to Asian secret societies. A 40,000-word article listing mistakes Xi has made in politics, economy, and diplomacy has been allowed by them to go viral in mainland China.

[https://www.theepochtimes.com/anti-xi-article-goes-viral-may-derail-xi-jinpings-plans-for-third-term\\_4274568.html?utm\\_source=uschinanoe&utm\\_campaign=uschina-2022-02-14&utm\\_medium=email&est=JmxzSvH08hfCocKFucQJ5EN3w8BGStd6QrXQhyHIQIDxewJZ3pqxclDUQDQU3iASQ%3D%3D](https://www.theepochtimes.com/anti-xi-article-goes-viral-may-derail-xi-jinpings-plans-for-third-term_4274568.html?utm_source=uschinanoe&utm_campaign=uschina-2022-02-14&utm_medium=email&est=JmxzSvH08hfCocKFucQJ5EN3w8BGStd6QrXQhyHIQIDxewJZ3pqxclDUQDQU3iASQ%3D%3D)

The East-West alliance to liberate the planet earth will keep up the fight until humanity is finally free from this ancient Satanic curse, Asian and Western secret

society sources promise.

The Asian elders who are helping to bankrupt the KM now need to step in to support the white hats in the West and in the East.

We promise a multi-polar world with competent governments who work as servants of the people and other living creatures on this planet. They have been presented with detailed plans about exactly how this can be done. We all breathe the same air, use the same oceans and depend on the same biosphere. It is time we take good care of it.

## ***Touch Others With Your Light***

Sananda via James McConnell - February 21, 2022

Published at [Voyages of Light.Blogspot.com](http://Voyages of Light.Blogspot.com)

I am Sananda. I come to be with you at this time, in these moments during this great transformation that is occurring, the great transition that is moving more and more people throughout the planet to awaken. They are awakening.

More and more are finding themselves becoming distressed, becoming disillusioned by the life that they have always known. More and more are realizing that it is time to move out of that illusion. And many are realizing that it is an illusion now. They are seeing all of those things that they had come to believe were true, they are realizing now that they are not true any longer. They have been lied to. Just as many of you, all of you, have come to that understanding as well.

*You have been lied to most of your entire life. But you are now seeing through the veil.*

The veil that is only there due to your programming. But once the programming has been lifted, once you have moved beyond it and let go of the attachments of that programming, the veil ceases to exist once and for all. The veil is only there if you believe it is. Darkness, fear is only there if you believe it is. Know that it is not there.

Know that there is no reason to fear whatsoever. When you fully come to that understanding, a whole new vista opens up to you. A vista that is beyond your wildest dreams, wildest imagination. We know you all have quite an imagination. Do you yet not fully see it is possible? Because many of you are still mired in the muck of the programming that you have had for many, many lifetimes, creating many patterns that hold you, and have held you.

It is now time to let go of those patterns, to let go of those programs, to let go of the karma. For the karma is only there if you perceive it to be there. Just as the program.

It is time to move out of all of this. For you are all getting ready now, getting ready to reach out to more and more people. For your time is coming. The times you have heard of where all of the disillusioned people throughout the planet begin to realize how much they have been lied to. And when that happens, and as it is happening, you, those of you, the Way-Showers, the Truth-Tellers, the Light-Bringers, you will be ready and in position to bring that light to them, to open up the doors beyond the illusion of separation.

It is nearly time for more and more of you to be willing and ready to move into your

mission more and more fully. You have been prepared. You have been acclimated to these energies, and are continuing to acclimate to the energies coming into the planet.

But know that so many across the planet have not been able to acclimate to the energies as you have. They are still struggling. Struggling through the dark, searching for the light. You, my friend, are that light.

All of my peace and love be with all of you. You need to continue to move out beyond your own comfort zone. Wherever you have the opportunity, reach out and touch someone with your light.

### ***The Great Divine Reboot***

Divine Mother via Jennifer Crokaert - February 21, 2022  
Published at Voyages of Light.Blogspot.com

My divine, precious children, I am here to draw your attention to the great changes that are about to occur across your beloved Gaia.

You do not need a reset; that would only 'rearrange the deckchairs on the Titanic.' You need a substantive change that completely alters not just the way your world functions, but the way each one of you perceive yourselves and each other. You need a profound experience of reconnection to your Divine Creator Selves.

This is what you would call a Heart Opening, Ascension, Enlightenment ~ but truly the term does not matter, because it is possible to argue the meaning of each of these terms. What matters is that the 'rubbish programming' will be cleared out, 'debugged' so to speak, and a massive reboot will occur.

Soon this gift will be yours, a gift of my love to you. It will melt the veils of separation that have shielded you from knowing your true self, your Divine Creator Self. I am returning to you what was always yours, but was hidden deep inside.

Once that heart-melting experience occurs, you will never again be cruel to yourself, because you understand your true Self, your true nature, your Truth.

Nor will you ever hurt another, because you see the deep interconnection of All That Is. You will instantly become aware that All That Is describes the Divine Father, and All That Happens describes the Divine Mother's creative energy force. You have both – the beingness and the doingness. When they are aligned with your true, divine nature, your infinitely loving heart, you are in your Ascended Mastery.

In an instant, your world will be forever changed for the better. Now that does not mean that action is not necessary: of course it is! The Divine Male and the Divine Female energies need to exist together, in harmony, in a dance, in union.

What it means is that you will have a deep knowingness of what is the right course of action for you, in every moment, in every circumstance. You will know what you came here for and how you can best share your joy, your gifts, to create a lasting legacy on Gaia. Your contribution to the Golden Age of Gaia will become clear, easy, fun.

So, how do you prepare for this? What do you need to do? To be? Move into the heart of you, not the emotional heart of 'I like this, I don't like that', but the wise heart that beats to the sound of your Soul, your Higher Self. It has a wisdom that can be heard if you take the time to move into silence.

Any time spent in silence, in peace, in meditation or prayer will allow you to feel into your higher heart, to hear its gentle nudges guiding you towards the best actions, thoughts, words and even non-actions, for you, for this day.

One step at a time, one day at a time. Consciousness is best approached slowly, with the gentle hand of curiosity. In that way, it will open up; its nudges and prompts will become clearer and your life will take on greater ease and grace as you align with the divine flow of your life: your life will become a passage of expansion through joy rather than through challenges.

It may not always be easy, but it will be clear to you what to do. That knowingness will make even harder actions seem doable, because they are aligned with the divine flow of your life.

So, my beloved children, keep heart. Know that I am with you constantly, in every heartbeat, I Am here, within you, waiting to be discovered by you. And in every heartbeat, you grow closer to recognising Me and merging in my infinite love for you.

***The Coming Changes of "Waking Up" to Truth***

Message from One via Sophia Love - Feb. 21, 2022

Published at [Voyages of Light.Blogspot.com](http://Voyages of Light.Blogspot.com)

It is the One. You are surrounded with activity and it is boisterous. You have entered the storm, and sit balanced on the edge of the eye. This is not a balance you'll hold for much longer, as the sheer force of the eye will pull you into it.

At that moment – the activity, the change and the conflict will reach into your lifetime without you looking for it. It will be evident in your daily life.

There is to be a change and this moment for its start is right here, and right now. You will not escape sight of it, and will feel its impact in your day to day.

It is not clear, not precisely, how this change will appear to you in your hometown. It is clear that it will appear. We've spoken of this for two years now, and of the necessity for it before then. You are ready.

This next part is the reason many of you are here now. This next part encompasses the rest of your days. Although, due to the impending change it ushers in, you will feel its intensity immediately.

That intense energy for change is a combination of the culmination of the force of your desire, with your "waking up" to truth. It sort of explodes on the scene in a reversal of assumed control.

It is seen, by those in absolute power here, as ownership. Any action thwarting that ownership, is assumed by them to be a theft. Expect them to act accordingly, feeling that something is being stolen from them. Expect direct opposition to any and all attempts at independence.

Remember that you (humanity) now have assistance. Assistance from off-world.

Remember that the end is seen, and has been recorded. It is absolute. This is the freeing of a race.

This is not a time to be timid or to hold back. Make your stand.

Clarity of intent and purpose enhances your manifestation ability and speed. You know how this works.

Regardless of your current location or situation, broadcast your light. Expand your love. Express compassion and speak your truth somehow. It's time for you to be heard.

Do what you can from wherever you find yourself now, and remember, this is good news. Humanity has chosen to save themselves. The obvious, active result of their choice erupts now.

You are right there.

You've heard this before. Some of you for many years. Yet I tell you, the difference today is the volume at which humanity speaks. You are One.

It is an astounding feat, and has been performed in your uniquely beautiful and creative fashion. It began with a Canadian Convoy.

The world now watches and chimes in. On some level your life has been changed by this convoy. Your choice is being declared by your resulting decisions, your subsequent actions, your thoughts and your words.

For remember your power. It is formidable and it is worldwide.

Everyone holds this creative spark, and activates it with each word and thought. As the veil thins, this power is amplified. Harness it, with positive thoughts, creative solutions that feed your heart, kind words that feed your soul, and self-directed action.

The longer you submit to tyranny, the longer the tyranny demands that you do.

Employ your heart, your truth and your light – full time now.

As you do, your new world is birthed.

You are doing this yourselves.

You have help.

There are surprises in store that will demonstrate the truth.

The Force of Creation itself stands beside you. Godspeed, dear human, Godspeed. You are in for such a treat.

We are One. This is our planet. We are freeing her now.

*In the coming weeks and months, you may be presented with experiences that will trigger your most negative emotions. In those moments, you will have an opportunity to look at whether they are truly worth the effort. Yes, you can give in to them or you can step back, take a breath and say to yourself, "I choose to be loving even in the face of fear". Remember, you are the creator of how you feel, how others see you and how you see yourself.*
