2022: End of Darkness on Earth

Supreme Father via Erena Velazquez - March 1, 2022

Greetings My Children, I am Supreme Father of Fathers, God of Gods coming today to talk about the events that are concerning all of you in your reality. I am very happy to connect to My Children again.

The year of 2022 is a final chapter for humanity in a fight with the Darkness. Daily you are receiving the information through the media about the recent global occurrences. Your media is not painting the whole picture, what is really going on.

The Ukraine has been infested by Khazarian mafia for a very long time. They have their bases underground, which they have been using for human trafficking, drugs and etc. Open your heart and do daily meditation to support the fight of Light. You have seen, what the Darkness has done for the peaceful demonstrations in Canada. These entities are not going to give up, unless you remove them one by one from their positions.

Humanity needs to unify by getting everyone on your side: police, military and etc. in your fight against the Corrupted Souls. It's very important to stay in high vibrations and not to be affected by lies and deceptions. Everyday day more people are waking up and noticing that something is wrong with their reality. The Darkness showed their real colors in Ottawa, and the events there were an eye opening for many.

Khazarian assaulters were used instead of real police to remove the peaceful protesters in Ottawa. Please, don't get frightened. Trust the Divine Plan. You can't remove these entities without using the special forces, as they will never surrender peacefully. After they are captured, I am going to send their souls to the Universal Consciousness, so they can't reincarnate anymore and cause any more disturbance anywhere else in the Cosmos.

I can assure everyone that everything is happening according to the Divine Plan. The old system needs to crash in order to be replaced with a new one. The New Earth is coming despite the deceiving appearances.

The Light Beings and I are supporting and cheering for humanity and their desire to become free and prosperous. This is your planet, and it's your responsibility to take Gaia back from the Darkness and create a new high dimensional reality. You have enough power within yourselves to win this war. This is about saving the inhabitants and the planet, otherwise there will be nobody left, as the Dark Entities are going to kill everybody. Life means nothing to them.

Please, always remember you came from different Star Systems to save this planet, and you've done that before. It's not your first time liberating the realities from the Corrupted Souls. Never question yourselves, you can handle this huge responsibility of freeing Mother Earth. You are the Light Warriors, and your mission is to spread Love and Light.

Thank you, Universal Channel. Sending my Love and Support to My Beloved Children. Think of Yourselves as the Statue of Liberty staying strong and tall. Supreme Father.

Humanity is Being Liberated as White Hat Alliance Goes on the Offensive

BenjaminFulford.net - February 28, 2022

The Russian and Jewish people are finally getting justice for the Holodomor and the Holocaust, mass murder human sacrifice events staged by the Khazarian mafia (KM). This is thanks to a Russian police operation against the Khazarian mafia operating inside their borders. The Russian action against the KM is just part of a larger international move by the white hat alliance to remove the KM from all positions of power, Asian and Western secret society sources agree.

In Asia, an agreement has been reached to unify Taiwan and China and form a friendly alliance with Japan, a unified Korea and ASEAN, dragon family sources say. Asian secret societies say that humanity is now 3/4 liberated from the Satanic Khazarian mafia.

When this is all over, there will be a jubilee, world peace and the start of a new Golden Age, alliance sources promise.

Here is a bullet-point summary of what Russian Presidential Avatar Vladimir Putin had to say about the operation in Ukraine:

*This has to do with the entire system of international relations...fundamental norms that were adopted following WWII...came in the way of those who declared themselves the winners of the Cold War...[The Khazarian mafia] had a **feeling of absolute superiority...coupled with the low cultural standards...** For our country, it is a matter of life and death We had to stop that atrocity:, that genocide of the millions of people who live there,,, **we will seek to demilitarise and denazify Ukraine, as well as bring to trial those who perpetrated numerous bloody crimes against civilians...** We all know that having justice and truth on our side is what makes us truly strong.*

To understand how truly historical the removal of these war criminals is, we need to briefly look at the history of what is now happening. We will not go back thousands of years to the origin of the Satan worshipping Khazarian mafia. Instead will start with a brief look at how the KM took over Europe and embarked on a centuries-long quest to restore their ancient homeland of Khazaria.

A good summary of their activities can be seen here:

<https://jamesfetzner.org/2021/10/preston-james-and-mike-harris-hidden-history-of-the-incredibly-evil-khazarian-mafia/>

To quote and paraphrase a few key bits: *Khazaria was a kingdom in central Asia that practiced Babylonian black arts. They were known to surrounding countries as thieves, murderers, road bandits, and for assuming the identities of those travelers they murdered...About 1,200 AD, the Russians led a group of nations surrounding Khazaria and invaded it, in order to stop the Khazarian crimes against their people, which included the kidnapping of their young children and infants for their blood sacrifice ceremonies to Baal [Satan].*

The KM elite fled to Europe where they slowly, over a period of centuries, infiltrated and finally took over the ruling classes there. Their biggest victory came in 1913 when the Federal Reserve Board was taken over by the KM in an illegal Christmas day move.

By grabbing control of the money of the people of the United States of America, John Rockefeller I and his fellow KM honchos were able to finance Vladimir Lenin and Leon Trotsky's communist revolution in Russia.

As soon as the KM overthrew the Christian government of Russia, they began their revenge for the destruction of Khazaria. Overall they killed as many as 80 million Russians during the 20th century. They also began their project to recreate Khazaria by starving millions of ethnic Russians to death who lived within the ancient borders of Khazaria. <https://en.wikipedia.org/wiki/Holodomor>

That is why Putin said "The Modern Ukraine was entirely and completely created by Russia, or rather, the Bolshevik, Communist Russia."
<https://tass.com/politics/1407587>

The Russian's patience finally ran out when the KM tried to take over the nation of Kazakhstan to further their project to recreate Khazaria.

Ukraine is not a sovereign state; belongs to Russia

One more point that needs to be made is that in 2014 UN Secretary-General Ban Ki-moon said Ukraine has not registered its borders since 12/25/1991. Since the UN

has not registered the borders of Ukraine as a sovereign state and Russia is the legal successor of the USSR (this is confirmed by the decisions of international courts on property disputes between the former USSR and foreign countries), the lands on which Ukraine, Belarus and Novorossiia are located belong to Russia. ***In other words, the so-called Ukraine invasion is a police action taking place within the borders of Russia.***

It's also very interesting to note that Israel is refusing to back a UN resolution by the fake Biden administration to condemn the so-called "Russian invasion of Ukraine."

<https://news.yahoo.com/u-protests-israels-refusal-back-221006922.html>

This means the Jews have removed KM control of Israel and now realize the holocaust (burnt offering) was a mass sacrifice of their people to Satan by the KM. According to Mossad sources, the move by Russia into Ukraine means the fake Biden administration is about to implode and will not last beyond March.

"That smell in your nostrils is the Deep State shitting themselves over their Ukraine money laundering operation getting demolished by Putin. Pelosi, Biden, Bush, Obama, Kerry, Romney, Soros, Clinton and the Vatican (And others to be exposed), all have their blood-soaked hands planted deep in Ukraine," the Mossad source notes.

<https://www.thegatewaypundit.com/2022/02/breaking-exclusive-bidens-ukrainian-blood-money-u-s-government-mainstream-media-hid-public/>

Putin and his team are extracting all the data from the banks, which will disclose the corruption that has taken place since 2014 and that \$10's of Billions were siphoned off using Ukraine as a conduit, the source continues.

Dragon family sources add "The bio-weapons factories built by Bill Gates and the Soros Foundation (Rothschilds) have been destroyed, the Ukrainian Navy has been sunk, the cities are surrounded and the alliance now controls 75% of the country so we are winning." <https://benjaminfulford.net/wp-content/uploads/2022/02/us-biolabs-in-ukraine.jpeg>

The arrest of top KM agent Turkish President Recep Erdogan means Turkey will not be fighting for the KM. *Turkey knows that, despite being a NATO member, the U.S., Europe, and NATO are the origin of all the threats it has defined so far. It knows very well that these countries abandoned it in every field. Turkey knows that they established a terror army against it in northern Syria. It only recently overcame an internal attack like the 2016 coup attempt, which was also a U.S., Europe and NATO operation,* is how the official Turkish media describes the situation.

<https://www.yenisafak.com/en/columns/ibrahim-karagul/putin-has-launched-an-age-of-madness-will-there-be-a-turkey-russia-war-3590151>

Germany and France are also staying out. **Olaf Scholz, the German chancellor, has made it clear his country would not support sanctions against Russia and neither would the EU. In particular, the European nations are not supporting financial sanctions against Russian banks.**

The KM propaganda media is making a big deal about Russia now being cut off from the SWIFT. However, the alliance is five moves ahead of them. That is why they seized Davos head Klaus Schwab and EU Central Bank Chief Christine Lagarde in Antarctica recently. This led to the replacement of SWIFT with the quantum financial system. If you have recently done an international money transfer you will know this

because instead of using the alphabetical SWIFT system, you now need a number to make a transfer.

A visible sign that Europe is not going along with this charade is that gas prices in Europe are plunging as exports via Ukraine increase. In other words, the KM has been stopped from price-gouging Europe on gas.

<https://www.zerohedge.com/commodities/european-natgas-prices-plunge-russian-flows-ukraine-soar>

More importantly, the Rothschild banking servers are in Ukraine and they have now been seized. This means it is game over for them.

It is also very interesting to note the United Nations is not letting Russian Foreign Minister Sergey Lavrov and his delegation visit the UN in Geneva. This means the UN has outed itself as a Rothschild entity. It is about to be replaced.

<https://tass.com/world/1412817>

Now let us take a look at the fake story being put out by the KM propaganda media about what is happening in Ukraine. You can see they stage fake atrocities and deaths because they don't have real atrocities to report on.

https://benjaminfulford.net/wp-content/uploads/2022/02/fake-ukraine-footage.mp4?_2

The other thing we need to note is that all the hysteria in the Western propaganda media about Ukraine is a desperate attempt to distract from the growing body of evidence the recent mass vaccination campaign was a huge war crime. Death rates among the vaccinated have soared by 495%.

https://www.lewrockwell.com/2022/02/no_author/triple-vaccinated-deaths-skyrocketed-495-in-january-80-of-all-new-covid-cases-are-fully-jabbed/

Payback has begun. Thousands at the Père-Lachaise cemetery in Paris to pay their respects to Luc Montagnier, French biologist and virologist and Nobel laureate in medicine who spoke out against Covid "vaccination", chants of "liberate."

https://benjaminfulford.net/wp-content/uploads/2022/02/anti-roth-demo-in-france.mp4?_3

Here is a list of 40 billionaires who got rich from this crime. You can be sure they will all be hunted down and brought to justice.

[List Of 40 Billionaires Who Got Rich From COVID – GreatGameIndia](#)

Pentagon and MI6 sources say special forces are continuing to hunt down all top cabal leaders and henchmen. These include Canadian traitors like Justin Castro and Chrystia Freeland.

In Asia meanwhile, we are hearing from the Dragon family and Asian secret societies that all KM influence is being removed from the region. The sources say a fundamental agreement has been reached to reunify Taiwan with the mainland, as mentioned above. We have been asked not to provide further details because this is an ongoing operation.

However, we were told the fake Kim Jong Un and the fake North Korean missile news being put out in the KM propaganda media is a bunch of lies. Kim is dead and his sister is in charge in North Korea now, the Asian secret society sources note. North Korea is part of the alliance to liberate humanity, they add.

In Japan, police and the military have begun arresting many people who were involved in the Fukushima mass murder attack, Japanese right-wing sources close to the emperor say.

Asian secret society sources promise historical changes will continue to take place between now and the spring equinox of March 21-22.

Finally, this week, as is our habit, we will conclude with a project blue beam-related bit of information. Recently corporate media has put out this video from 2010 showing a very strange weather anomaly or unnatural disk in Australia. This is a hint something very mind-blowing will be coming our way soon from Antarctica, a US space force source promises.

Mira of the Pleiadian High Council - March 1, 2022

Channeled by Valerie Donner - www.TheGroundCrew.com

Greetings, I am Mira from the Pleiadian High Council. I am still working full-time on the Earth Council. This is very important work, as you know.

We greet you with tender loving care. We know there are ones who are trying to hijack the spiritual process of ascension that is currently in place. We will remind you there is no turning back. The light is true to itself and most powerful. There is nothing they can do to stop what is coming. However, they can sidetrack you somewhat with the illusion of fear, yet if you are tuned into the light and into your hearts, this will be futile.

We understand the spiritual fatigue that many of you are going through at this time. We feel it along with you. These intense energies have stirred up everything. They are accelerating the Ascension process quite a bit. One of the ways that you can realize this is by assessing the information from both sides. When you listen to your heart, you will tune in and know what is true for you and what is not. It could be that your information sources are running out of steam. You may have risen in your consciousness so some of this information is no longer pertinent.

There comes a time when you don't have to continue to gather as much information as you did in the past. Spirit will guide you to what you need to know. You can be assured of this. Please do not get distracted with some of this extraneous information from either side. What you are beginning to discern, is that some of these sources do not know what they are talking about. Some of the truthers are carrying fake news just like the mainstream. With the glorious light though, you are beginning to figure it out and see through it. This is exactly what you will do.

You are in the process of rescuing yourselves, saving your souls and each other, by being valiantly strong and courageous in your power. Just go deeply within your heart to see what feels right and what doesn't. You will be sorry to see that perhaps some of your favorite sources weren't exactly up to the truth. This is the fine line, and it is important that you realize it.

We understand how you are being affected by the timelessness of how everything is speeding up. This is in preparation for living in the higher dimensions. The linear time in which you have been controlled and living for such a long time, has been one of your biggest stressors. Imagine what it will be like for you when everything is simply in the flow. So you can practice right now by allowing yourself to just be in the flow. You do not have to be at the mercy of a time piece. That clock was meant to mechanize you and keep you in control. If you do this you will be training yourself to tune in more to the natural flow. I think you will like it.

Overall, you are doing an outstanding job anchoring in the light, ground crew. You have access to much more of the higher energies like the Galactic's, your I AM presence, the earth, each other, the Masters, Archangels, and all who are watching over you. When you combine these factors with what you are doing, you will see how you are opening to more magic and miracles. Look at how the unexpected occurs daily and see how fun it is to explore the synchronicity and beauty in this process.

We have wonderful expectations about how we are collaborating with you and how much more we will be doing this in our new earth energies. This continues to be a call for action. This is the Great Awakening. You will have everything you need, and you will be happy.

We love you dearly, I am Mira from the Pleiadian High Council. We stand together in the truth and the light. And so it is!

Message from Apollo via Valerie Donner

"The majority of humanity is awakening to the call of the spirit within. It is as if they have been in a chrysalis waiting to become a butterfly. They are getting ready to release the external protection that has kept them locked in the third dimensional world. Some are ready to live as butterflies while others are afraid of coming out.

Whether it is of their own divine desire to open their hearts to live in higher consciousness, or not, everyone is changing and will land in the most appropriate part of life. Please understand each choice is divine and part of the transformation now occurring on the earth.

The light is shining everywhere. The dark will not get away with anything.

You are witnessing the spectacular spotlight shine where it is most needed and where the startling truth will set the planet free. I am declaring this in the name of the Almighty I Am."

I Want To Believe! RealRawNews.com

"Use Your Discernment" By Reverend Dennis Shipman

I want to draw your attention to RealRawNews.com - an alternative news website that when it's newsworthy I'm going to include in the newsletter. Its most popular categories are World News, USA News, Russia News, and COVID-19 News. Per it's "About" page, it is owned and operated by Michael Baxter, a former mainstream journalist and former English teacher, and all content is written by Michael. He also considers freelance submissions.

Michael is a very good writer. Most of the content is well written, in good journalistic style, yet some content does not include sources. Many articles do not name specific people as the source, but refers to them in the context of their job position or as an anonymous source - which are always suspicious to me.

The USA news tab is the most awesome and yet at the same time suspicious, IMHO. Michael stays up to date and informed through his sources with the military tribunals at Guantanamo Bay (GITMO), especially when it comes to the trials and executions of the dark cabal. Yes, GITMO is the site for executions of the dark cabal.

According to Michael's articles, in the past 9 months, many high-profile names have been put to death for treason (and other sundry crimes against humanity), normally by hanging but other methods are used as well. A short list includes Tom Hanks (actor), Hillary Clinton (Bill Clinton is dead from homicide), Bill Gates, George W. Bush, Dick Cheney, Mike Pence, William Barr, John Podesta (firing squad), James Comey (guillotine), Gavin Newsom, Hunter Biden, and Joe Biden is comatose/brain dead due to a massive stroke on June 1, 2021. You can read about their trials and executions at RealRawNews.com. What we are seeing in the news are body-doubles for these people.

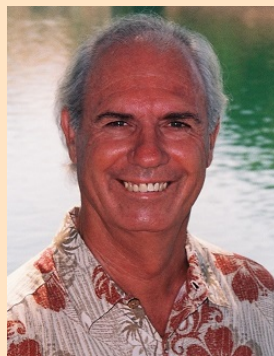

For years we have been hearing about how the dark cabal in America will be brought to justice via military tribunals because the American civil justice system is too

corrupt to do the job for the American people. Some trials and executions will be announced to the public and some will not, is what I've heard. RealRawNews.com is the first news coverage I've seen that offers coverage on the trials and executions of the drak cabal.

I WANT TO BELIEVE! That RealRawNews content is accurate and correct. I beleive that Michael Baxter is sincere in reporting his news. Sometimes his news reads like a creative story of fiction. However, in this age of mis-information, it's difficult to know sometimes what is truth and what is not. Therefore, although I'm going to cite his content whenever it's newsworthy, I want to advise and caution you to GO WITHIN and USE YOUR DISCERNMENT on the content you read at RealRawNews.com - You decide what is Truth for you.
