Disempowering the Khazarian Mafia (Deep State)

Archangel Michael via Sharon Stewart - March 6, 2022
www.SharonandIvo.Weebly.com

I am Archangel Michael with a message for the Angelic Light Community. We are now all familiar with the fact that there is a war occurring in eastern Europe, in the Ukraine and there are many reasons for this war, not the least of which is that Vladimir Putin has decided he's had enough of the Deep State (DS) tactics and is now fighting back.

Mr. Putin has sent in troops to secure vulnerable areas such as Chernobyl and he has bombed facilities that were being used against his people in Russia, otherwise he has done nothing to irritate the people of the Ukraine. However, the news is saying otherwise. These are false flags or actual attacks on the Ukrainian people by the Deep State and UN forces but are being presented to the world as Mr. Putin's evil.

It is not. We must help in revealing to the world by increasing the Light in the Ukraine. This week, however, will be a bit different in that we will be targeting the Khazarian Mafia, in whatever way you may sense them, be they in Khazaria, Switzerland, Antarctica or America, we are targeting all of those responsible for this heinous attacks on the Ukrainian people.

Simply state that you wish your energy of love to go to the Khazarian Mafia responsible for this attack on Ukraine and your intention will guide your energy. You may be able to see faces, you may not. Perhaps you will see their demons, perhaps not. Regardless, simply send your loving energy. The energy of love empowers love and disempowers evil. Our intent this week is to disempower and destabilize these evil people. Understand that many world leaders are complicit in this attack.

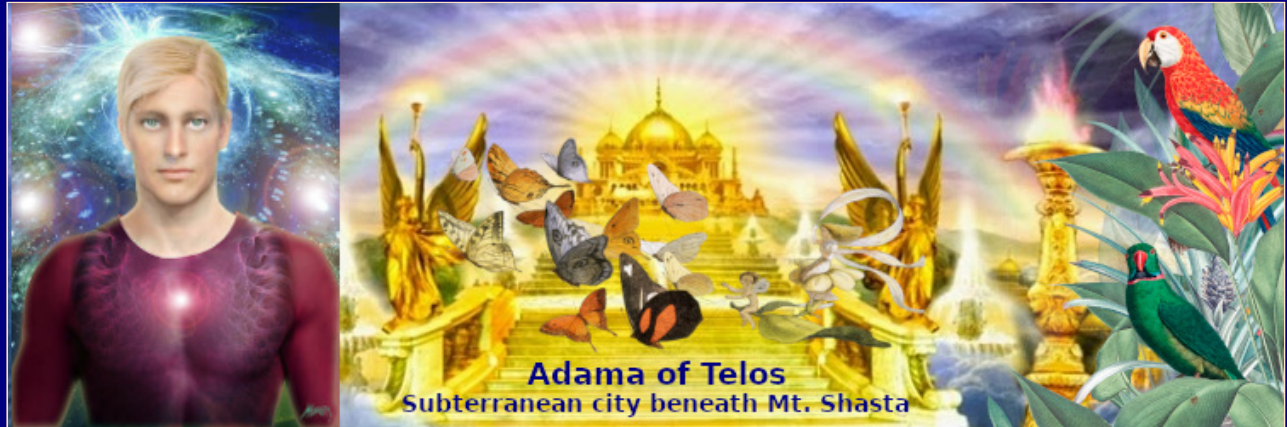

Khazaria is the main station of these evil beings, and to have an attack on its homeland would be devastating for them. The Ukraine is part of what once was Khazaria. Mr. Putin is tired of his proud people suffering at the hands of these criminals, and so he will bring them down.

If your desire is to destabilize the efforts of the media in your country which is also complicit in this attack, then feel free to do so as well.

We would like to destabilize this attack on many fronts and there are many ways to do it. Choose whichever you feel most comfortable with.

A suggestion to you: If you can gather with friends and family to send your collective Light as one, then please do so. These meditation circles are very powerful and combine the energies of all involved.

I am Archangel Michael, I am sovereign, I am God, I am your truth bringer and the Light. We are Legion. Adonai.

The Russia-Ukraine-Deep State Situation

Summary of a Conversation between Adama of Telos & Sharon Stewart
March 6, 2022 - www.SharonAndIvo.Weebly.com

Adama: Yes, the Deep State (Khazarian Mafia) are at it again. History repeats itself because history is comprised of only one agenda: the agenda to kill the surface population. We've intervened so many times to just keep enough of you alive, but this time we see you're going to pull through.

The event that existed before this one that is similar to the one humanity is going through now was Atlantis. It was crystalline technology they used to sink the island, which is even more powerful than nuclear energy (nuclear bombs).

The evil ones created a rift in the quantum fields extending from earth all the way to heaven. It's been a task trying to repair them. What we have around earth now is what you'd call bad sectors on your computers, so with the new timeline that's being populated now we will be able to repair those bad sectors.

The Agarthans of Inner Earth have worked hard to hold the fabric of space-time together around earth. So have other races such as yours. Other galactic teams have been searching for any nuclear weapons that have evaded them so far. We've got people on the inside, willing to give up their lives in order to even just source these weapons.

We don't see anything large exploding, though. We're working with Mr. Putin to keep earth safe. The Deep State does not have the power to create a nuclear war. Don't worry. They won't get away with it. Humanity has a lot of help and you don't even realize the extent of the help we can aid you with.

We've been able to gather and defuse many of their weapons. Remember, too, that they use other types of weapons such as direct energy weapons, as well. A threat of nuclear war is done to scare you, as well as to rip holes in the fabric of time-space.

Typically wars were reserved for overtaking certain areas of the planet. That was up until just recently, as a matter of fact. Then they learned how to create global wars and this had to do with the fact that they controlled so many regions upon the planet's exterior.

After this event is over with, the Deep State will be arrested and the flip will begin. People will begin to take back control of their lives.

You have to see who you're dealing with and that they don't care about you. This was never made known in their prior campaigns, or those who spread the news were killed to keep them quiet. This was the job of many members of clergy and of royalty: to protect the narrative just as it is being done now. These people knew what was going on.

Humanity is led to believe your kings and queens reigned over their kingdoms with benevolence, but many of them were two faced, such as your leaders are now. They smile to your faces but behind your backs, they have the worst for you in mind.

This is why Jesus came: to tell you of this as well. But of course the bible was created and these records stricken from it.

This is being discussed at Galactic Council. Of course, there is concern but we have seen you come to this point in your history before and you have always prevailed, and you will this time again. We are helping you as we always have done but this time we are striking out the evil ones and are helping to open your eyes. Earthlings need to take their power back and so it will be done. I bid you adieu.

***EU negotiating surrender to Russia,
Fake Biden Government Doomed***
www.BenjaminFulford.com Report - March 7, 2022

The EU or Nazi fourth Reich, knows it is checkmated and is trying to negotiate a surrender to Russia, multiple sources confirm. This means the fake Biden regime in the US will also have to surrender or die, the sources promise. "Ukraine is the head of the snake. Once it comes down there is no globalist empire anymore. It is finished," explains an Australian special forces officer.

The reason for this defeat is that the Pentagon and the five eyes nations (Australia, Canada, England, New Zealand and the US) are refusing to fight Russia on behalf of the Nazi EU. This caused the French military to do an inventory of Nato's ability to fight Russia minus the Anglo Saxons. They concluded Nato could only hold out for five days against a full-scale Russian attack. <https://www.voltairenet.org/article215757.html>

It is also clear this Russian move was planned long ago. That is why Russian President Vladimir Putin said in 2021 that Major European political figures have “spoken of the need to create a single space from Lisbon to the Urals. I believe, and I mentioned this, why the Urals? To Vladivostok.” <https://www.eurasiareview.com/27012021-vladimir-putin-at-davos-online-forum-transcript/>

“Russian politician Vladimir Zhirinovskiy knew that war would start on 22 Feb 2022. He knew the exact date a few years back!” an FSB source notes. Even more intriguing, the Russian coat of arms shows a knight in a white hat trampling a reptilian. Is this just a coincidence or does this mean current events were planned centuries ago?

<https://benjaminfulford.net/wp-content/uploads/2022/03/russian-coat-of-arms.jpeg>

Whatever the case may be, it is clearly game over for the Khazarian mafia in Ukraine. The Russian Ministry of Defense says the Kyiv regime has almost completely lost the ability to manage the administration of the regions and districts of the country.

<https://telanganatoday.com/us-preparing-to-create-ukrainian-zelensky-govt-in-exile-in-poland>

The FSB and CIA are both saying Khazarian mafia Ukrainian puppet president Volodymyr Zelensky has long since fled to Poland. He has also been promised a rich retirement in Florida. See attached photos of his assets in Costa Rica at Dresner Bank (\$1.3 billion) and his \$34 million house in Miami, Florida.

<https://benjaminfulford.net/wp-content/uploads/2022/03/zelenski-rich.jpeg>

<https://benjaminfulford.net/wp-content/uploads/2022/03/zelenski-rich-233x300.jpeg>

<https://www.veteranstoday.com/2022/03/02/blockbuster-drag-queen-zelensky-found-a-billion-dollars-and-a-villa-in-miami/>

As for the Nazi foot soldiers using civilians and human shields in the Ukraine Putin does not expect to reach any agreements with “a gang of drug addicts and neo-Nazis that are holed up in Kyiv.” <https://tass.com/russia/1411363>

The Russians say the Nazi troops in Ukraine will be treated as criminals and most will be killed outright. It is basically game over.

There is also military activity outside of Ukraine. For example, French intelligence sources say the nation of Moldova located between the Ukraine and Romania has “ceased to exist.” Swedish intelligence sources say both Finland and Sweden surrendered to Russia last week and promised to stay neutral and stay out of Nato.

The de facto surrender of the rest of Europe to Russia can be seen in many public comments. For example, British Prime Minister Boris Johnson noted in an opinion piece in the New York Times that “This is not a Nato conflict and it will not become one...Russia has an overwhelming force...What happens in Europe will have profound implications worldwide.” Talk of sanctions against Russia is also pure bluster. That is why German Economy Minister Robert Habeck says his country could not do without Russian oil and warned that **“a shortage in supply could threaten social cohesion in Germany.”**

To understand what the Russians are thinking, it is good to look back at what their Presidential Avatar Vladimir Putin told the Davos gangsters in 2021. He warned that ignoring “systemic socioeconomic problems” was a “dangerous illusion.” He noted “Modern technological giants are de facto competing with states,” and that “global business attempts to replace legal democratic institutions and essentially usurp or restrict the natural right of people to decide for themselves,” had to be stopped. In what amounted to a declaration of war against the KM corporate fascists he concluded “The world cannot continue creating an economy that will only benefit a million people, we must now proceed from stating facts to action.”

The Russian FSB is now negotiating directly with the White Dragon Society about how to replace the post-war Bretton Woods system with something that actually works for the people of the planet. When the FSB told a WDS representative that “81% of all wars from 1945-2001 were started by the US...The US can do all kinds of shit and name it as ‘history’ and not paying any price for it.” The WDS replied, “The US Corporate government will soon cease to exist and good riddance.” <https://benjaminfulford.net/wp-content/uploads/2022/03/us-war-monger.jpeg>

Since the Pentagon is refusing to fight Russia on behalf of the Nazis who carried out terror attacks like 911 and Fukushima, the KM tried to turn to Turkey for protection. This is what the Turkish official media had to say: Regardless of what happens, a war between Turkey and Russia must be avoided...If the West brings Russia to its knees, the second step will be to directly turn to Turkey.

<https://www.yenisafak.com/en/columns/ibrahim-karagul/a-european-war-is-raging-in-ukraineand-it-isnt-likely-to-end-soon-why-is-the-west-trying-to-drag-turkey-into-a-war-with-russia-3590423>

The rest of the Muslim world is also shunning the Khazarian mafia-run countries. For example, Pakistan’s Prime Minister Imran Khan “has struck a deal to import natural gas from Russia – despite outcry over the invasion of Ukraine.”

<https://www.msn.com/en-gb/news/world/imran-khan-strikes-huge-trade-deal-with-russia-despite-international-outcry-over-war/ar-AAUvn6Z>

Saudi Arabia has also broken with the KM and stopped supplying free oil to the KM in exchange for fiat dollars, CIA sources say. That is why gas prices are jumping in the US. It is the same story in Latin America. For example, Brazil’s Bolsonaro refuses to sanction Russia, says Ukrainians “trusted a comedian with the fate of a nation.”

<https://www.newsday.co.zw/2022/03/brazils-bolsonaro-refuses-to-sanction-russia-says-ukrainians-trusted-a-comedian-with-the-fate-of-a-nation/>

The worldwide disgust with the never-ending evil of the KM means the alliance to remove them is close to final victory, Dragon family sources say.

“Putin has a final move in this chess game. He may nationalize all of Russia. Just as Xi has this plan as a final move. There will not be a nuclear war. A global economic crisis may be necessary to defeat the satanic cabal. If both countries are nationalized it would collapse the global system. A global reboot would be overseen by the alliance” is how a CIA source describes the situation.

The corporate propaganda media is trying to put a brave face on this by pretending their oil, car, tech etc. companies are “withdrawing from Russia” as if they can take the oil wells, factories etc. with them. In fact, they are being confiscated.

The corporate propagandists also tried to make it seem they could destroy Russia financially by removing it from the SWIFT international bank transfer system. However as MI6 notes “The SWIFT system is essentially a money-laundering system for NATO. It is a legacy system. The BRICS couldn’t care less about SWIFT.”

The same is true about Visa and Mastercard announcing their withdrawal from Russia. The truth is the Russians have already prepared a shift to the Chinese Unionpay payment acceptance network that operates in 180 countries.

<https://benjaminfulford.net/wp-content/uploads/2022/03/cips.jpeg> (CIPS - Cross-Border Interbank Payment System)
<https://www.reuters.com/business/finance/russian-banks-rush-switch-chinese-card-system-2022-03-06/>

“It is time Western nations realized that their complete dominance in the global economy is long gone,” is what the Russian government is saying.

The FSB also notes that Covid vanished from Russia as soon as they shut down the bio-warfare laboratories in Ukraine. The other benefit of their military action there is that most of the world's spam and e-mail fraud operations have now been shut down. The end of KM money laundering activities in Ukraine is also proving fatal to them, they note.

The loss of both military and economic control has forced the KM to try to negotiate a surrender. Israeli Prime Minister Naftali Bennett who was arrested recently ("tested positive for Covid and self-isolated") has agreed to work for the alliance to negotiate a transfer of power away from the KM. That's why he has been meeting Russian President Vladimir Putin on behalf of the KM puppet governments in the United States, France and Germany," Mossad sources say.

<https://indianexpress.com/article/world/israeli-pm-meets-putin-in-moscow-then-speaks-with-zelenskiy-by-phone-7803466/>

Nonetheless, the KM is desperate and dangerous now and is making multiple attempts to stage a nuclear terror incident. For example, news reports are coming out about a "Cargo Ship Full of Porsches, Volkswagens, Bentleys on Fire in the middle of Atlantic."

<https://benjaminfulford.net/wp-content/uploads/2022/03/nuke-terror-ship.jpeg>

This is what the CIA had to say about the fire: *It was a hit job for sure. The Alliance used a DEW from space. The energy beam hit the engine room and melted everything. There was no way to extinguish the fire. The alliance knew that there was a nuclear device on board the cargo ship that was headed for Rhode Island to be used in a false flag event in the States .*

https://m.theepochtimes.com/mkt_app/cargo-ship-full-of-porsches-and-lamborghinis-on-fire-in-middle-of-atlantic_4286900.html

The Russian Tass news agency also reported "the nationalist Azov battalion are planning to blow up a reactor at the National Research Center of the Kharkiv Institute of Physics and Technology and accuse the Russian Armed Forces."

The KM is also still hoping they can assassinate their way out of trouble. That is why Carolina senator Lindsey Graham said Putin should be assassinated in order to end Russia's invasion of Ukraine.

<https://www.theguardian.com/us-news/2022/mar/04/lindsey-graham-suggests-putin-assassination-russia-ukraine>

Here is what the CIA had to say about that "Lindsey Graham will very soon be tested positive for Covid a second time. He will self isolate himself at home. (We know that he will be arrested and undergo interrogation by the alliance). If he reappears, he will be wearing the GPS boot. Most likely he will disappear. A cover story will be created. He crossed over the line."

Washington DC is also being blockaded by trucks now in a move to put an end to the criminal fake Biden regime. It is just a matter of time now before the plug is pulled on that entire show. Take a look at some of the photos and videos below to see just how out of touch the so-called G7 leadership has become. Note the fake Kamala Harris, the fake Biden, the cross-dressing leaders of Canada, Ukraine, France etc. and you get an idea of how degenerate things have become.

<https://benjaminfulford.net/wp-content/uploads/2022/03/kamala-mask.jpeg>

https://benjaminfulford.net/wp-content/uploads/2022/03/macron-tranny-wife.mp4?_1

https://benjaminfulford.net/wp-content/uploads/2022/03/how-to-fake-a-person.mp4?_2

Also, please note these so-called leaders have yet to pay for the fake pandemic and vaccine war crimes. In case you didn't notice, whilst you've been distracted by Russia's Invasion, the UK Gov. released a Report confirming the Fully Vaccinated now account for 9 in every 10 Covid-19 Deaths in England

<https://dailyexpose.uk/2022/03/01/russia-distraction-uk-gov-revealed-triple-vaccinated-account-9-in-10-covid-deaths/>

There are similar reports of vaccine damage emerging from around the world. That is why the US Senate just voted to end the national emergency over the so-called Covid. They are just the latest in a growing movement to put an end to the entire scandemic.

In Canada meanwhile, the provincial governments and military etc. are openly disobeying Justin Castro's attempt to turn Canada into a totalitarian vaccine state. MI6 sources say they have reviewed Justin Castro's entire history going right back to grade school and have concluded he is a Manchurian candidate and traitor. Do not expect him to be around much longer. You can say the same about Emanuelle Macron and many others.

Humanity is being liberated and there will be no stopping it.

Finally this week we would like to share this video of an otherworldly UFO. A NASA source involved in project Bluebeam says "I have never seen anything like this. This is not BlueBeam. My best analysis: this is a portal that opened up, showing another world of technology".

https://benjaminfulford.net/wp-content/uploads/2022/03/anomaly.mp4?_=3

Here is another mysterious phenomenon that was filmed in Russia recently.

https://benjaminfulford.net/wp-content/uploads/2022/03/russian-anomaly.mp4?_=4

In yet another sign these are not normal times, you can see a huge amount of UFOs in a BBC report about the situation in the Ukraine.

https://benjaminfulford.net/wp-content/uploads/2022/03/bbc-bluebeam.mp4?_=5

Whether it is Bluebeam or something else these events both earthly and otherworldly, clearly a sign that planet earth is going through changes of biblical proportions. A new age dawns.

From AFLDS email release: The FDA documents show what America's Frontline Doctors (AFLDS) has been saying for more than a year: the Covid vaccinations were rushed and experimental. The necessary tests that should have been done prior to release for the general population simply did not happen. The vaccines are having a strong negative effect on the immune system with more than 1200 different types of adverse events known and documented by Pfizer prior to their widespread release. This is Pfizer (and Moderna is likely the same) acting fraudulently and our government being corrupt. Pfizer has a long history of fraud. Pfizer settled a \$2.3 Billion lawsuit in 2009 - the largest Department of Justice settlement in all of US history. AFLDS assisted lead attorney Aaron Siri in the federal Fort Worth Texas Courthouse last month, when the Judge ruled that the FDA documents must be released. The first batch of information confirms what we predicted and tried to prevent: the Covid vaccines are harmful. Now, the medical experts and scientists will be able to go through thousands of pages of documents from the FDA to see what is known.

What You Need to Know About What's Really Going On
The 9D Arcturian Council via DanielScranton.com - March 9, 2022

"Greetings. We are the Arcturian Council. We are pleased to connect with all of you. We are watching and waiting to see what happens next there on planet Earth, and we have the luxury of taking that approach while also having the privilege of getting to help you when we can. However, you are living there on planet Earth, and you can do even more than we can to help the human collective, because you are a part of that collective. You don't have to sit back and wait to see what happens, and you don't have to read someone's blog post or watch someone's video who is going to then tell you what is going to happen next.

You get to participate in the creation of the future that you will experience, along with the fellow humans in your little collective. Therefore, we advise you to not just watch and wait. We advise you to be proactive in what you are putting out energetically, and that includes your words and actions just as much as it includes your thoughts, feelings, and visualizations. You can change your world for the better right now, and then you can wait to see how the world reflects to you the changes you have made, and that can be the fun part of it for you.

You can also look out at the world right now with the understanding that the world is showing you what is needed. The world will always show you how you can best show up in it to be the best version of yourself, and therefore, contribute mightily to the human collective. The way that you can contribute all day, every day is with your vibration. We advise you to keep your vibration high by focusing on the things that put you in a higher-vibrational state. That means you don't always want to be looking outside of yourself for the problems of the world that need your energy to help solve those problems.

Look within for what's already inside of you that's perfect. Look within for your love, your compassion, your creativity, your ability to heal and to forgive. You hold the keys to the kingdom, always, and if anyone out there is telling you that you don't, stop giving them your attention. We know that it's easy and even a little exciting to look outside of yourselves at the stories that others are creating with their very creative minds about the world you are living in. This is not the world you experience, but rather, a world that you hear about. And the stories are so entertaining that you want to give them more and more of your attention.

And the people creating the stories know this. They know how to grab your attention and how to keep it. That is why it is so important to let your experience be your truth, your reality, and we are talking about your experience of your inner world and your experience of the outer world. Of course there is plenty going on there on Earth that you don't know about, but that's okay. If you needed to know about it, you would, but you certainly don't need someone's idea of what that might be in order for you to remain interested in being there on Earth and continuing your journey.

Don't go looking for trouble, and don't go looking for someone else's truth in order to make it your own. Live your truth, shine your light, and know that you are there to help and that you help more by being of a high vibration than you do by knowing about every little detail about what's going on behind the scenes in the secret world that you don't experience. Let your experience be enough, and let yourselves be who you really are so that you can co-create the world that you want to experience and that you want others to experience as well. We are the Arcturian Council, and we have enjoyed connecting with you."

Your Worthiness

Archangel Gabriel via Shelley Young - March 8, 2022
www.TrinityEsoterics.com

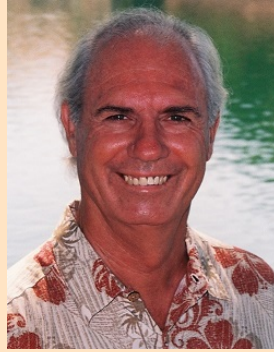

Your soul always knows your worth as a beloved part of the divine. In fact, it knows there is never, ever a time where you could not be worthy. So if you are struggling with worthiness

issues, it is a sign that you are in your head, not your heart. Shift into the knowingness of your soul and you will realize, time and again, that you are always loved and cherished exactly as you are.

Our unconditional love is a constant, Dear Ones. Our greatest wish for you is that you will prioritize choosing the alignment that allows you to feel that truth and know that love, and as you do the old stories of separation will heal and fall away until they are not part of your inner chatter any longer.
