### ***Wanted: KM Dead, Not Alive***

*Destroy KM or face nuclear war, Russia & China tell U.S. Pentagon  
Benjamin Fulford Report - May 16, 2022*

Last week China and Russia issued an ultimatum to the US military: either destroy the Khazarian mafia or face all-out nuclear/scalar weaponry warfare, multiple sources agree. The US sent a large delegation to Russia in response and an agreement was reached to kill all known members of the KM on sight, Pentagon and MI6 sources say. This has already begun and will accelerate this week, the sources say.

Here is a summary of what triggered this as sent to us by a member of the Dragon family: There was a noisy meeting in the Security Council at the request of Russia regarding the development of American biological weapons on its borders inside Ukraine:

- 1- The Russian delegate handed over documents and evidence in the session record confirming the following:
  - = Official Pentagon funding for an apparent biological weapons program in Ukraine
  - = Names of American people and companies specialized in the evidence and documents involved in this program.
  - = The locations of laboratories in Ukraine and the attempts made so far to hide evidence.
- 2- The locations of the American laboratories that manufacture and test biological weapons in 36 countries around the world (12 countries more than the previous session).
- 3- The diseases and epidemics, the means of their release, the countries in which they are being tested, and when and where the experiments were carried out with or without the knowledge of the governments of these countries.
- 4- Among the experiments and relics is the virus responsible for the current pandemic and the huge number of bats used to transmit this virus.
- 5- The peoples of America, France and Britain have, under the psychological pressure, been brainwashed into believing a fictional version of what is happening.
- 6- The World Health Organization denies knowledge of the biological experiments in Ukraine despite proof provided by Russia that its' representatives regularly visited and were in correspondence with suspicious American laboratories around the world.

7- China is asking why the US and UN desperately refuse to conduct an investigation by specialists to find out the truth, especially given the documents and compelling evidence?

The Russians captured a large number of migratory birds that had been numbered and had microchip-controlled capsules containing various plagues attached to their bodies, Russian and Chinese sources add. When these birds fly to Africa, Asia, Latin America etc. the plague vials could be opened by satellite command where they would cause the most damage. Russians also accused President Joe Biden, former President Barack Obama, former Secretary of State Hillary Clinton, and billionaire George Soros of involvement in the conspiracy. The Chinese and Russians insist that “whoever commits such immoral and inhuman acts must be punished.”

The Russians note that since the Americans broke a 1976 treaty not to use biological, weather manipulating, earthquake causing and other weapons of mass destruction, they are now entitled to use their own arsenal of such weapons.

The head of MI6, upon getting this evidence promised “We will sanction the United Nations on a shoot to kill.” In other words, the named officials, including those working at the WHO and UN, will be shot on sight.

The US military, meanwhile, responded by sending –in defiance of the Biden regime- a military plane with more than 100 generals representing all military units to avoid a comprehensive nuclear war the KM was trying to trigger, Pentagon sources say.

As a result of this meeting “Biden’s days are numbered, regimes will collapse and heads of those countries participating in this scheme will be overthrown,” the sources promise. In response, the World Economic Forum and the World Health Organization are holding an emergency meeting in Switzerland starting May 22nd where they will desperately try to stay in power by imposing a world health dictatorship under the WHO, Italian Illuminati, sources say. However, an increasing number of politicians in the West are waking up to this.

For example, “The Covid-19 pandemic has proven to us that a large number of countries in Europe and the World are led by sociopaths and psychopaths. Now, these same people in Europe want to make our medical data available to the pharma industry and thus do even more damage to our health, safety, and freedom,” says European Parliament MP Mislav Kolakuió.

This video below of a Canadian MP talking about vaccine damage is another of many examples. [https://benjaminfulford.net/wp-content/uploads/2022/05/vaccine-talk-in-Canada-parliament.mp4?\\_ =2](https://benjaminfulford.net/wp-content/uploads/2022/05/vaccine-talk-in-Canada-parliament.mp4?_=)

Most importantly though, is the KM’s attempt to impose totalitarian rule based on a fake medical emergency is doomed because they do not have the military force to back it up. Their lies about viruses and their threats to starve people to death will not save them this time, multiple agency sources promise.

“Even the fake pope went against NATO,” notes an Asian secret society source who promises: “This week you will see a lot of changes...the old New World Order is finished.” This source also confirmed what Chinese intelligence sources are telling us about what is really happening in Shanghai and other parts of China.

These videos of hangings and people jumping out of buildings:

[https://benjaminfulford.net/wp-content/uploads/2022/05/chinese-purge.mp4?\\_5](https://benjaminfulford.net/wp-content/uploads/2022/05/chinese-purge.mp4?_5)

“are just showing part of the clean-up that is going on there. They finished with Hong Kong, are still working on Shanghai and are moving to Beijing now,” the source says. The Chinese intelligence source - who reports to President Xi Jinping's rival Jiang Zemin - says the people being killed are involved in the biological warfare attack against China. China is temporarily preventing its citizens from leaving the country so that none of the guilty parties can escape, the sources say.

The purge in the West is also continuing with more and more leaders “catching Covid-19 and self-isolating,” (i.e. being arrested). For example “Nato Secretary-General Jens Stoltenberg has been diagnosed with Covid-19 ... and will work from home in the coming days.”

<https://benjaminfulford.net/wp-content/uploads/2022/05/nato-chief-grabbed.jpeg>

<https://www.straitstimes.com/world/europe/nato-chief-stoltenberg-diagnosed-with-covid-19>

Also, New Zealand Prime Minister Jacinda (Jack) Ardern has “caught it” and will self-isolate.

<https://www.newshub.co.nz/home/politics/2022/05/prime-minister-jacinda-ardern-tests-positive-for-covid-19.html>

We also note that Prime Minister Justin Castro and his Nazi handler Chrystia Freeland have vanished from public view after a recent visit to Ukraine. Here is what a source in the Canadian Secret Intelligence Service had to say about that:

“The original Justin Trudeau Castro was arrested many months ago. Most likely he was eliminated. If not, he is definitely in lockdown. As for the Justin T C being seen in Ukraine via the MSM and TV this past week or so, that was one of ‘the others’. Nobody knows how many clones/doubles there are out there of ‘that one’. Jill Biden also has several doubles/clones. That was a stand-in who appeared in Ukraine as well. You could see that she was a younger version of Biden.”

Speaking about vanishing clones. Bill Gates also announced he is “ **experiencing mild symptoms and am following the experts’ advice by isolating until I’m healthy again.**”

<https://www.independent.co.uk/news/world/americas/bill-gates-positive-covid-coronavirus-b2076153.html>

Here is what a Mossad source had to say about this:

*The name “Bill Gates” is a cover for the KM satanic cabal. Several avatars are running around now. The original Gates is long gone. Bill Gates invests in vaccines – suddenly there is a pandemic. Bill Gates buys up all the farmland – suddenly there is a food crisis. Bill Gates invests in artificial milk – suddenly there is a milk formula shortage.*

<https://www.rightamericanfuture.com/articles/bill-gates-is-now-pushing-artificial-baby-milk-just-as-a-baby-formula-crisis-hits-america/>

Are we starting to see a connection here? Or is it “nothing to see here folks, just a lot of coincidences.” Of course with computer graphics technology the way it is, it is a good bet the corporate propaganda media will now try to make it seem all these people are alive and well. Take a look at this video below to see how advanced the technology is.

Japanese military intelligence says many of the CGs of KM leaders are being generated out of Silicon Valley. They identified David Rothschild –who is hiding in San Francisco- as one of the key individuals who needs to be apprehended in order to put an end to this. We have contacted him and asked for an interview to get his version of events. David Rothschild

In any case, in addition to arrests of top KM leadership, a financial attack is raging as well. The continuing collapse of the stock, bond and crypto markets is a direct result of Russia seizing all the financial computers in Ukraine, CIA sources say.

This is why Peter Schiff, the economist who predicted the 2008 financial crisis says: "The entire U.S. economy is about to shut down again, but this time it won't be a dress rehearsal like with Covid-19. This will be the real thing. We won't ask businesses to close they'll have no choice but to close. Tens of millions will be fired from jobs that will never return!"

<https://finbold.com/economist-who-predicted-2008-financial-crisis-says-u-s-economy-is-about-to-shut-down/>

It is also why Werner Hoyer, president of the European Investment Bank (EIB), predicts the vast bill from Russia's invasion of Ukraine "could run into the trillions."

[https://www.reuters.com/world/exclusive-top-eu-official-backs-multi-trillion-plan-rebuild-ukraine-2022-05-11/?](https://www.reuters.com/world/exclusive-top-eu-official-backs-multi-trillion-plan-rebuild-ukraine-2022-05-11/?utm_source=reddit.com)

[utm\\_source=reddit.com](https://www.reuters.com/world/exclusive-top-eu-official-backs-multi-trillion-plan-rebuild-ukraine-2022-05-11/?utm_source=reddit.com)

Since the entire GDP of Ukraine is \$156 billion, it is hard to see why trillions of Euros or dollars are needed unless it is really intended to bail out the KM.

The real reason says a CIA source, is that the \$BILLIONS that the (KM satanic cabal via the Biden administration) is stealing from the American people and funneling to UKRAINE is actually going to BlackRock. Wait until this is exposed. Rand Paul may have exposed it without actually saying it? He has blocked the \$40 billion at least for a week or so. Look how fast the Pentagon squeals. A lot can happen in 2 weeks in this Chess game.

Here is the Pentagon's reaction to the cut off of money to Ukraine: "The flow of US weapons to Ukraine might be cut off, at least temporarily, unless Congress quickly approves nearly \$40 billion in new spending to help Kyiv repel Russia's offensive in the former Soviet republic, the Pentagon has warned...May 19 is the day we really, without additional authorities, begin to not have the ability to send new stuff in . . .," Pentagon spokesman John Kirby told reporters on Friday. <https://www.rt.com/news/555462-us-ukraine-aid-may-be-delayed/>

The money is being cut off because the world is becoming aware of all the atrocities committed by the KM satanic cabal in the name of 'freedom and democracy' of course. The U.S. Has Killed More Than 20 Million People in 37 "Victim Nations" Since World War II

<https://www.globalresearch.ca/us-has-killed-more-than-20-million-people-in-37-victim-nations-since-world-war-ii/5492051>

That is why most of the world has made a collective decision to cut off their funding. In addition to funds being cut off, the supply of gas, electricity and other resources to KM-controlled countries is also being cut off. As has been thoroughly reported elsewhere, Russia is starting to cut off gas and electricity to Europe. However, did you know that Middle Eastern countries are also cutting Europe off? Last week, for example, Algeria cut gas supplies to Spain by 25% as Russian Foreign Minister Sergey Lavrov visits.

<https://northafricapost.com/57439-algeria-already-failing-to-honor-gas-supply-deals-with-spain.html>

<https://tass.com/russia/1448953>

The continuing collapse of KM control is making it more likely than ever that the KM will now try to use its space invasion card. Here is what a CIA source stationed near Antarctica had to say: Don't be surprised if Project Blue Beam is activated in China. It will scare the Holy B'Jesus out of the Chinese people. The whole world will watch to see where "the alien invasion" hits next. The KM cabal will attempt to use this to lock down the world. Stop all travel globally. And stop all transportation of everything. They plan to have the sheeple beg for world government intervention. Thus bringing in the great reset and the one-world government".

This may explain the following news item: "A House panel (United States) will hold an open congressional hearing next Tuesday about UFOs for the first time in over 50 years".

<https://www.msn.com/en-us/news/politics/house-panel-will-hold-first-public-hearing-on-ufos-in-decades/ar-AAX6TS0>

"This may be a serious disclosure," a CIA source says. That is why once again we will conclude our report with the latest project blue beam and UFO-related videos sent to us by our secret space program sources. The first video of an Unidentified flying object was filmed by the pilots over the territory of Kazakhstan.

[https://benjaminfulford.net/wp-content/uploads/2022/05/silver-ufo-converted.mp4?\\_=7](https://benjaminfulford.net/wp-content/uploads/2022/05/silver-ufo-converted.mp4?_=7)

Then we have this video of "ETs visiting the Kremlin" that our analysts say is not CG. Our Russian sources would not comment on it.

[https://benjaminfulford.net/wp-content/uploads/2022/05/aliens-at-kremlin.mp4?\\_=8](https://benjaminfulford.net/wp-content/uploads/2022/05/aliens-at-kremlin.mp4?_=8)

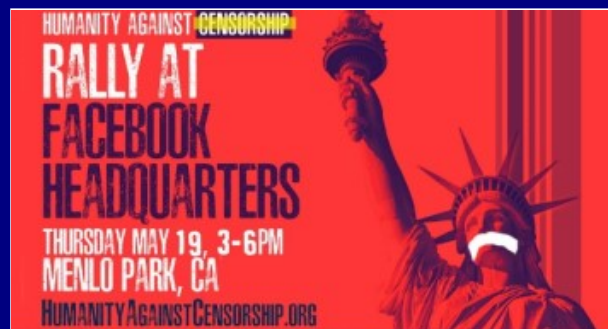

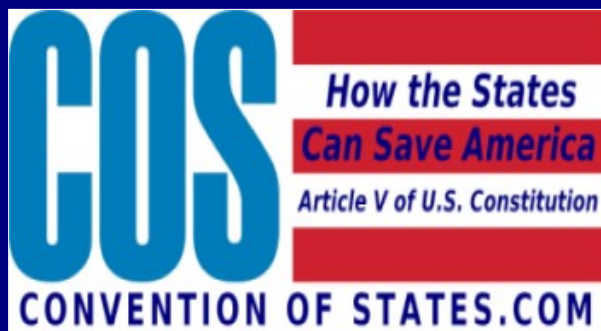

Then there is a screenshot from Google Earth that our sources say is a giant crashed flying object. The resolution is too low to be sure, but Google Earth does show the ice has vanished from a large section of Antarctica. This is partial confirmation that directed energy weapons are being used to heat the region. <https://benjaminfulford.net/wp-content/uploads/2022/05/antarctica1.jpeg>

Here are a couple more blue beam-related videos.

[https://benjaminfulford.net/wp-content/uploads/2022/05/cloakedd-craft.mp4?\\_=9](https://benjaminfulford.net/wp-content/uploads/2022/05/cloakedd-craft.mp4?_=9)

[https://benjaminfulford.net/wp-content/uploads/2022/05/ufo-near-moon.mp4?\\_=10](https://benjaminfulford.net/wp-content/uploads/2022/05/ufo-near-moon.mp4?_=10)

Hopefully, the UFO hearings this week in the U.S. Congress will not disappoint and real disclosure is about to begin. Also, hopefully we will see special forces arrest all the WEF and WHO, etc. people gathering in Switzerland in full view of the worlds' media. Maybe then the truth will finally set us free.

### ***Old Systems Fall Away to Give Birth to the New***

*Lynn Buess, MA, EdS, International Astrologer*

*Published in Sedona Journal of Emergence - June 2022*

The numerical focus in June is on loss, the re-examination of life's values, and the falling away of old systems to give birth to the new. The fear-based global control mechanism long in place is being revealed to a growing number of souls who see the light. The exposure of the unjust, unlawful, and uncouth expands now into an exponential growth rate. The slumbering of humanity lessens as the number of awakening people reaches an important juncture of critical mass.

As enough of the population asks questions, it makes it increasingly difficult for perpetrators to hide in the nooks and crannies of darkness. In particular, the Great Fear of 2021 becomes

seen for just what it was. Over the coming months and years, many of the perpetrators and participants will receive due process.

The extraction debt-based financial and banking system, which has picked every pocket of thousands or tens of thousands of dollars, will give way to a more meritorious, universal system. This will not happen overnight, but it will happen within a reasonable time frame of restructuring. Revelations related to due process legal action become known as the massively corrupt legal system is cleansed and corrected.

The totally false world history that has been taught to us for centuries will soon be shattered by truth, both mundane and divine. The influence of giants, extraterrestrials, and inter-dimensionals (both negative and positive) is no longer contained by the controllers.

Healing methods, potions, and natural processes along with alternative technologies once again emerge to help heal the health of the planet, as the controlled Western pharmaceutical system abuse is finally exposed for all to see. Those of farce and fraud will lose power and eventually be tried for their egregious abuse of humanity.

### ***Awaken to Your Highest Truth***

*Maitreya through Rae Chandran*

*Published in Sedona Journal of Emergence - June 2022*

**Maitreya:** Hello, brothers and sisters. This is Maitreya welcoming you in this holographic light of love that I have placed around you. It is time for humans to accept the grandness — the sacred divinity — within them and to fully acknowledge they are part of All That Is, the great supreme Creator.

When you fully awaken to this understanding, not just at the mind level but in beingness, then you have completed the Earth school of self-discovery and the school of remembrance. You have come here to remember, to reunite with, the family of God — the family of All That Is.

All the understanding I and others have brought forth is to help you to come to this place. Every moment, become aware of this. Strive to understand by affirming: “I ask that my I Am presence fully embodies me every moment of my day and night in all my expressions of who I am — words, thoughts, emotions, and feelings. I ask that this only comes from this embodied I

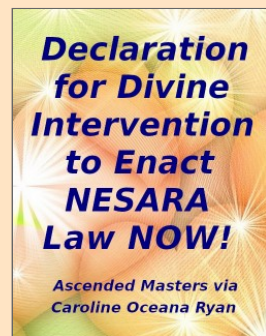

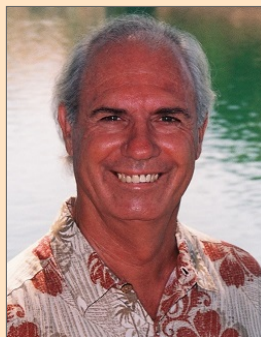

Am presence." Let this be your new mantra, and your self-realization process will increase dramatically.

When you say this with love and sincerity for yourself, every organ in your body listens. The bloodstream absorbs your words and your intentions, and this will become embedded as a new frequency under your skin. The strongest energy under the skin is the energy you will experience throughout your life. The highest vibrational frequency is the strongest. It is time for you to acknowledge this part within you, moment by moment.
