

### ***Inner Chaos or Inner Peace?***

*Galactic Center via GalaxyGirl - May 21, 2022*

*Published at Voyages of Light*

I am the Galactic Center, center of your Milky Way, now known as the Golden Rose Galaxy. Upheaval is present on your world, within the hearts of humankind, but it need not be so. For all are in process of either discovering me, of the connection to the deep inner way of the single walk towards inner unity, or dancing with chaos.

The inner chaos of man is only a decision. One makes this decision moment by moment whether they will walk the silent road of individualization and inner stillness, for it is a lonely road, but when one is aware of it they feel the connection to all things and it is a uniting experience. You who have done the work and are able to feel this message are aware. All roads eventually lead to home, to the inner god-spark. Many will not appreciate this for your religious doctrines have divided, have taught otherwise.

They have taught and instilled separation, for that was the game, the experience in this realm of the delusion of separation from Source. You are all fractalized sparks of Source, you are all here to experience what it is that you came to experience. Earth, Gaia, has chosen her experience of ascension. Those upon her who choose are deeply aware and assisting in multidimensional levels, in a myriad of ways.

Inner chaos or inner peace? Those are always your choices.

In every moment, in every experience upon Gaia, those are your choices. You are marvelous beings. My love is freely extended to you. My peace, my presence is freely given to you for I am that I am. I too am an aspect of Source. I hold space for those who need to find themselves again. I am a reflection of the All in my own way, just as you are in your own way.

Activation codes are streaming through this message, are streaming through me. By my very presence I am activating you, and in some cases, lowering frequency to increase vibration, to enhance the deep inner awareness and awakening that is occurring now in your world on all levels. There is no chaos. In the scheme of things, all is perfection, all is unity. All is the space of Source, the spaciousness of love, of freedom.

But you have dived so deep down the rabbit hole of this earth experience that these vibrations, these feelings have been almost closed off to you.

The starseeds, the old souls have been able to assist with activating this on the inside of the twisting, to help untwist, so that the light from me, from the All, can freely flow to you.

I wish to activate you with zero point energy now. Breathe in and feel this connection with your deep inner knowing that all will be well. For it is most well.

Children, come sit with me. Be still in this space of unlimited creation, of expansion, of peace. I am here for you always. I am an excellent place for our meditation journeys. Your world needs more zero point energy. It will calm the reactivity. It will assist with awakening the others from the dream. When they feel your peaceful presence, they will begin to rub their eyes and awaken to their own connection within.

The darkness, the lack of light beings have lost their way. They are being removed, recycled, for they cannot handle what is to come. The higher vibrational waves that are here and coming further in increased strength will not be a match for them. Great upheaval, great change always precedes growth and the understanding of the lessons. You need not understand in entirety to be at peace.

Peace, stillness of a quiet mind and heart, stillness is a choice. In the coming days, stillness will be your greatest resource, your greatest currency, your greatest asset. The deep stillness of peace, of one who has found their connection and remembered themselves in the earth experience.

You will be remembering your gifts. You will be coming more online to your higher dimensional frequencies. Your memories, your strengths and gifts will be more completely felt and attainable. I am here for you always. Remember now. All things are accessible to you here. Remember me. Remember yourself. I am the Galactic Center.

It has sought to do so by creating patented bioweapons marketed as novel viruses and immunizations ... immunizations hailed as health security for the world in the 21st century – titled by them as “The Century of the Vaccine.” The facts detailed in this Executive Summary are part of the public record and are identified herein as primary source material.

## **The Proposed Indictment - 8 Counts of Criminal Conspiracy**

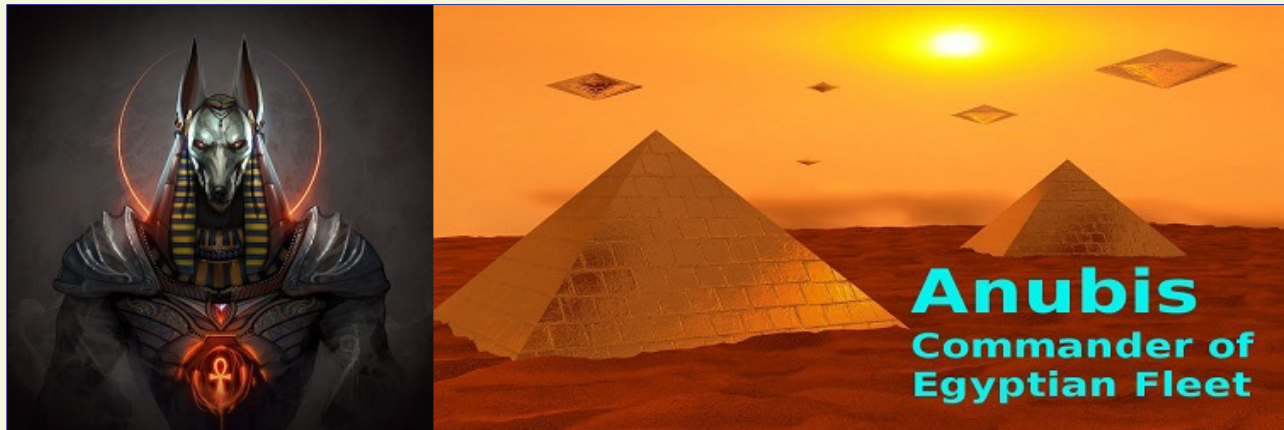

**(Partial Summary Listed Here; [Click Here for Full PDF Summary-Indictment](#))**

Throughout the decade of the 90s, Pfizer sought to research, develop and patent a coronavirus (CoV) vaccine. Their first patent filing specifically recognizing the S-protein as the immunologic target for vaccines was filed on November 14, 1990 (U.S. Patent 6,372,224). With a focus on swine and canine gastroenteritis, these efforts showed little commercial promise and the patent was abandoned in April of 2000.

During the same period, the National Institute for Allergy and Infectious Disease (NIAID), under the vaccine obsession of Dr. Anthony Fauci, funded Professor Ralph Baric at the University of North Carolina Chapel Hill. This program, designed to commercially weaponize a

naturally occurring toxin, is the beginning of the criminal conspiracy and violates 18 USC § 175, 15 USC § 1-3, and 15 USC § 8). Dr. Baric's expertise was understanding how to modify components of the coronavirus associated with cardiomyopathy. NIAID Grants AI 23946 and GM63228 (leading to patent U.S. 7,279,327 "Methods for Producing Recombinant Coronavirus") was the NIH's first Gain-of-Function (GOF) project in which Dr. Baric created an "infectious, replication defective" clone of recombinant coronavirus.

This work clearly defined a means of making a natural pathogen more harmful to humans by manipulating the Spike Protein and other receptor targets. A year after filing a patent on this GOF CoV, the world experienced the first outbreak of Severe Acute Respiratory Syndrome (SARS).

***The Planetary Intergalactic Coalition***  
*Anubis via Erena Velazquez - May 21, 2022*  
*Published at Voyages of Light*

Greetings Humans, I am Anubis, and I am sending a new communication on the request of Queen An-Ra. It has been 9 months Earth time since my last transmission to your planet. The Planetary Intergalactic Coalition continues to expand beyond many Galaxies, Universes and Star Systems.

Now, over 250 civilizations joined the coalition. They want to live in peace instead participating in the long lasting Galactic Wars. The reality of the conflicts are very real, and the civilizations, who are interested to prosper technologically and spiritually, asked my Queen to lead the Planetary Intergalactic Coalition. It's based on peaceful and harmonious coexistence between beings.

Your governments are still keeping humankind in the dark about the existence of billions of the entities in endless Cosmos. They came out with idea of creating a fake invasion from the Space. All their plans are going to fail.

These entities are only interested to kill every civilization. They completely destroyed certain planets and even full Galaxies. This is why, a decision was made, in addition to the Galactic Federation of Light, to create a new alliance between Light beings to protect each other.

Reptilians, Orions, Anunaki, Anchors and many others are always looking to conquer new territories, after they destroyed their own planets. The Ashtar Command saved your planet on numerous occasions without you knowing it. I personally command two fleets, one of them is called RA that means sun, as you know without it, life wouldn't exist.

The latest event including Dark Entities tried to keep a secret about the war's activities around

your Moon. They have been using a holographic moon for awhile to cover it up. The outworlders wanted to attack Mother Earth from space. They were asked by your Elite to kill billions of humankind. The Ashtar Command and my fleet stopped the real invasion of your planet.

It's time for humanity to open their eyes and start seeing the truth. You need to admit to yourselves that you are Light, and you are here to save your planet. Everything carries a Divine Flow and Purpose. Thank you Universal Channel. Follow the Truth. Anubis.

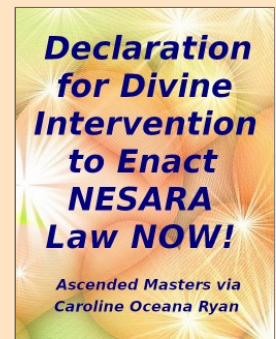

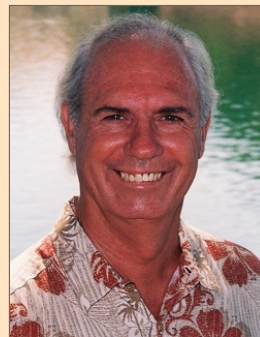

### ***Non-Stop Energetic Shifts***

*Archangel Gabriel through Shelley Young - May 22, 2022*

During times of energetic intensity it might be easy to think that you are at the mercy of the energies. Nothing is further from the truth! You are driving the shift on your planet. You might think of it as a game of cosmic leap frog, where you shift energetically and the universe responds in kind. The nonstop shifts you are experiencing are occurring because you have indicated that you are ready for them. Every integration shows you are prepared and willing to accept more. How truly wondrous you have become so adept at working with higher and higher energies in such a beautiful co-creative dance of evolution.
