

Disclosure Process Ramping Up

KaRa of the Pleiades via James McConnell - May 29, 2022

Published at Voyages of Light

I am KaRa. It is always a pleasure to be here with you in this way, with each and every one of you, and to all of those who will listen and read these words. For I bring a message to you at this time, a message that you have been awaiting for – many of you have. You have been hearing from various sources much that is coming forth now. And it is coming forth from many sources.

You speak of disclosure. Disclosure is indeed in process now, has been for some time, but is 'ramping up,' to use your terminology here. It is becoming more and more profound as the truths are coming forward. And, as always, it has been for those who have eyes to see and ears to hear. But many, many more are beginning to open those ears and be able to see the new vision that is coming forward, the vision that you have been aware of for some time.

But alas, these times are changing, changing rapidly now. And those of us on our ships that have been watching over this entire process, that have been working with all of the various councils, the Galactic councils, and even to connecting to those councils here on Earth. And yes, indeed, there are councils here that are being stationed by many that are in an awakened state already. We are not meeting with those of your government that are the ones that still want to hold control. We are not meeting with them.

We are meeting with those that are ready to move forward to bring this entire program to an end, and to begin the new program, the New Golden Age of Gaia. And we, those of us, have been given a signal. No, it is not the full green light yet. But it is moving directly in that direction now. And everything is indeed, again, ramping up, and we are preparing. We are preparing for that potential, and those definite possibilities that are right there in front of you now, as the signal has been given to be on alert.

Alert, for whenever those of your cabal, those of the dark forces here, if they attempt to do anything that brings mass destruction or mass depopulation to this planet, then we are ready to step forward. They cannot continue with their plan. It is not being allowed. It is not being allowed by Creator Himself/Herself. It is not possible.

For they are a dying breed at this point. Those that would hold control here, those that would continue on the 3-D timeline are a dying breed. Not dying in terms of death here, but dying in terms of moving on.

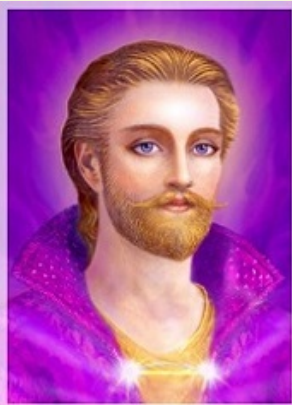

So everything is being established and being prepared, has been for some time. And those of us are ready for the next phase of your evolution here. And your evolution is about to take a giant leap.

We have stood by and watched, and prepared in many, many respects, again, meeting in many council meetings over the years here, even over the decades moving up to this point. But we have been ready, and are ready to move at a moment's notice to the next phase that is in the process of beginning now. And that phase is going to take you further than many of you could have possibly imagined. Some of you have imagined this, some of you have been hearing this from many sources. But even in your wildest dreams, you possibly are not able to envision what is about to happen.

This is all I can say on this at this time, for secrecy is still called for in many respects. Because we cannot tip our hand completely, even though those of the cabal and dark forces have completely tipped their hand.

Be patient just a little bit longer, for things are indeed about to heat up. And you will see with your own eyes, your physical eyes, you and many, many others across the planet, more toward the entire population will be able to see what you have known for quite some time now. It is coming. Just allow for the process to play out.

I am KaRa, and I leave you now in peace, love, and oneness. And you can know that shortly those of you who are ready to receive us, to clasp and receive our helping hands, to embrace us with a hug as your long lost brothers and sisters, are here to be with you.

My Dear Ones. I am Saint Germain. Since my last appearance through Universal Channel, a lot of progress has been made in the fight with the Elite, who has been controlling the narrative on your planet.

They are making a new plan in Switzerland to keep a grid on every step you make. The justice day is coming, the Evil souls are going to pay dearly for their crimes and lies. They are running out of ideas, on how to enslave and eliminate humanity.

The most newest trick is a monkey pox, it's just another attempt to scare and control humans. Everything so far, since it came out, has been not working the way they would like. Two years ago, the sleeping part of the population bought their propaganda, and still believe them. The Darkness is running out of ideas and starting to make mistakes by using old videos in the

scams and getting exposed daily. The truth is coming out, despite the desperation from the Elite.

Khazarian Mafia is losing their grounds in Ukraine, and the secret plans to use biological weapons on a peaceful population came out to the light. These are the most important times in the history of your planet. Please, don't believe anything the imposters say. Focus on your survival as civilization and raising yourselves to a higher dimensional reality. The illusion, which lasted millions of years, is coming to the end.

What you see around, it's a holographic reality created by the corrupted souls. Humanity is in desperate need of physical and spiritual healing from 3D Matrix. Your government has a healing technology from outworlders, which is hidden from the public, used in the Secret Space Program. Some misinformation has been floating about medical beds. First at all, they are not available for humankind. The medical beds basically do surgical procedures without assistance of a human doctor.

You are going to need the healing technology from your Galactic brothers and sisters. The wealth is coming, as soon as the main players are removed from controlling your planet. Just a reminder for everyone, the Quantum Financial Sytem was been set up years ago. I can't allow that the funds to be stolen by Evil. It's going to happen in Divine timing, and nobody can't stop the upcoming Divine process of the liberation of Mother Gaia. All of you will receive funds that are going to make your life burden free. It's coming.

I want to warn the ones who want to use the money to enrich themselves, your are not going to receive the funds. Please, stop focusing on the when, how long, etc. Stay in the Now and express daily gratitude for all the blessings in your life no matter how small they are. Please, continue to raise your vibrations everyday by mediations and spread Love and Light to your stranger or neighbor. Thank you Universal Channel. Please, receive the Blessings. Love and Light attracts more Light and Love. **Saint Germain.**

Fake Biden Regime Collapsing as Jeff Bezos Bails

Benjamin Fulford Report - May 30, 2022

The end is near for the fake Biden regime as Jeff Bezos, one of its chief backers, has bailed out and joined the earth alliance, CIA sources say. This was shown when his Washington Post mouthpiece reported the truth; the Ukrainian government and military are collapsing. The Khazarian Mafia project to rule the world from a greater Khazaria (Ukraine + Kazakhstan) is thus now totally doomed.

The other thing to notice was the complete collapse of the Davos world economic forum and its sister organization the World Health Organization (WHO) as they gathered in Switzerland last week.

The WHO was supposed to mark its 75th anniversary with a victory lap granting its head absolute dictatorial powers over all world governments. Instead, its' top staff have been arrested for spreading bio-weapons, Mossad sources say. The same has happened to the vaccine pushers who attended Davos, CIA sources say.

Let us look at who is being defeated.

"On the left, you can see the founder of the World Economic Forum, Klaus Schwab. On the right, his father, an intimate confidant of Hitler, the industrialist and fascist "Eugen Schwab" (who married a Rothschild) in uniform.

<https://benjaminfulford.net/wp-content/uploads/2022/05/schwab-hitler-connection.jpeg>

At the WEF Schwab boasted "The future is built by us, by a powerful community as you here in this room." Then the Rothschild propaganda news network Bloomberg contributed by once again producing a CGI/ avatar of George Soros to warn 'civilization may not survive' the Ukraine war. What he really meant was "human domestication may not survive" as the KM project to enslave humanity is collapsing.

https://benjaminfulford.net/wp-content/uploads/2022/05/fake-soros.mp4?_=1

Now take a look at the CEO of Pfizer-Albert Bourla bragging his company is on track to kill 50% of humanity by 2023. It is a pretty good guess alliance white hats used a CG version of him to say that.

https://benjaminfulford.net/wp-content/uploads/2022/05/bourla-says-kill-half-of-world-by-2023.mp4?_2

Bourla's frog throat certainly seems to indicate some sort of (deliberate?) CG malfunction.

https://benjaminfulford.net/wp-content/uploads/2022/05/bourla-frog-neck.mp4?_3

Now listen to the avatar Bill Gates blow it by admitting "Vaccines do not have a long duration and do not have good infection blocking."

https://benjaminfulford.net/wp-content/uploads/2022/05/gates-says-vax-no-good.mp4?_4

Next see Pekka Lundmark, President and CEO of Nokia say "Smartphones will become obsolete. All technologies will be directly embedded into our bodies by 2030."

https://benjaminfulford.net/wp-content/uploads/2022/05/petta-lundmark.mp4?_5

Finally, take a look at Gabriela Bucher, Executive Director of Oxfam International say "Covid has been one of the most profitable products ever."

https://benjaminfulford.net/wp-content/uploads/2022/05/head-of-oxfam-says-covid-most-profitable.mp4?_6

To me, it looks like they have all been captured and either being forced to say or have CG versions of themselves say incriminating things. The following Fox news clip about Davos was sent to us separately by the CIA, the Russian FSB and Mossad, in a clear sign of inter-agency agreement about who the real enemy is.

https://benjaminfulford.net/wp-content/uploads/2022/05/fox-disses-davos.mp4?_7

While this Davos farce was taking place, the fake Biden was brought to Japan and South Korea to assert the line of control in Asia won by the US military in World War II. However, the trip was a failure because India refused to join a military alliance against China and Russia. Sources close to Indian Prime Minister Narendra Modi say India believes an iron age, the worst of all possible ages, is ending and a golden age is about to begin. They believe their best strategy is to sit back and watch events unfold.

Some of the biggest events are taking place in the oil market where OPEC and other oil producers have agreed to refuse to sell oil for KM funny money.

<https://tass.com/pressreview/1455465>

<https://tass.com/pressreview/1455465>

The Western Propaganda media tries to make it seem the opposite is happening with headlines like: "Sharp Decline In Russian Exports Could Send Oil Above \$150."

<https://oilprice.com/Energy/Oil-Prices/BofA-Sharp-Decline-In-Russian-Exports-Could-Send-Oil-Above-150.html>

The reality is that oil is now 30% more expensive in the West than it is in the rest of the world. The noose is now tightening. Turkey has decided to attack US troops in Syria who are subcontracting from the Rockefellers to steal that country's oil.

<https://news.antiwar.com/2022/05/24/us-concerned-at-turkish-plans-for-new-offensive-in-north-syri>

<https://www.msn.com/en-us/news/world/erdogan-turkey-s-syria-operation-could-happen-suddenly/ar-AAXQU5O?ocid=EMMX&cvid=8a58b5c6cb374c679bbfe96d93b93e0e>

The boycott of KM funny money is why in the less than two months between February 25 and May 20th the US used 50 million barrels of its 532 million barrel strategic oil reserves. Every week the number of barrels is decreasing by 5.3 million.

<https://southfront.org/u-s-oil-reserves-rapidly-declining/>

This is proof of the reality the West can no longer print funny money to buy oil. "Statements of the West about Russia's default are absolutely out of touch with reality. This is the default of

Western countries before themselves,” Russian Finance Minister Anton Siluanov said on Friday. <https://tass.com/economy/1457065>

This is not the bankruptcy of the US or Western countries. It is the bankruptcy of the Rothschild and Rockefeller owners of the United States of America Corporation. Here is Fed Chairman Jerome Powell admitting the corporate money he produces is backed by nothing. REPORTER: Are you prepared to say you flooded the system with money?

FEDERAL RESERVE CHAIR: Yes we did.

REPORTER: Where does it come from do you just print it?

FEDERAL RESERVE CHAIR: We print it digitally, so We as a central bank have the ability to create money. https://benjaminfulford.net/wp-content/uploads/2022/05/central-bank-fraud.mp4?_8

The fact one of the first acts of the so-called Biden regime was to cancel the Keystone pipeline shows it is a regime only interested in promoting Rockefeller-controlled oil, not the interest of the American people. The Keystone folk are not owned by the KM.

Now Russia has captured 80% of the Ukrainian oil they were counting on stealing in order to keep in business.

In a sign of their desperation, the so-called president Biden last week signed a bill to provide \$40 billion for Ukraine. The only problem is, it turns out Ukraine only gets 15% of the money, CIA sources say. However, the Ukrainian people will be responsible for 100% of the \$40 billion in debt used to finance this, they add.

Of course, the collapsing Ukraine puppet government will never be able to repay this debt. Jeff Bezos let the Washington Post tell the truth about their defeat because he saw the writing on the wall. The fact is neither the US military, nor NATO nor any major government is supplying the Ukrainian military with heavy weapons.

https://benjaminfulford.net/wp-content/uploads/2022/05/ukes-flee.mp4?_9

Even Israel is refusing to supply weaponry to the Ukraine.

https://www.axios.com/2022/05/25/israel-rejects-spike-missile-ukraine-germany-russia?fbclid=IwAR1CEAXmYwo74sdFHyq4zOO2h92wB_VDf29ma6A3XlJruYUHATlwVuCpUwA

“Don’t be surprised if there is a military coup against Zelensky by his own military commanders very soon. It is already game over,” a senior CIA source says. The distribution of proof to world governments that Ukraine was a center for bio-warfare against humanity is why nobody supports the regime there except for KM-controlled media. Now the KM is throwing away 30 million doses of Moderna’s vaccines because the whole world has figured out the Scam.

https://benjaminfulford.net/wp-content/uploads/2022/05/moderna-chief-says-no-vaccine-demand.mp4?_10

This is the tip of the iceberg of revelations about the crimes of the pharmaceutical industry. For example, there have been ZERO Smallpox Deaths or Injuries in 40 Years but 5,755 Injuries and Deaths from Smallpox Vaccines.

<https://healthimpactnews.com/2022/zero-smallpox-deaths-or-injuries-in-40-years-but-5755-injuries-and-deaths-from-smallpox-vaccines/>

Nobody is buying their monkeypox story either. Monkeypox is rebranded COVID injection-activated shingles, based on a PCR that is not designed to diagnose disease, according to a CIA doctor. This is taken right from the eight pages of potential side effects from the first Pfizer FOIA data dump.

<https://benjaminfulford.net/wp-content/uploads/2022/05/vaccine-causes-monkeypox.jpeg>

Isn't it a coincidence that Canada Ordered 500,000 Smallpox Vaccines Just Weeks Before Monkeypox Outbreak? Never mind that smallpox was declared eradicated in 1972.

<https://greatgameindia.com/canada-monkeypox-vaccines-before-outbreak/>

In fact, according to the CIA, ALL of the so-called Viruses are patented. Does this surprise anyone? <https://benjaminfulford.net/wp-content/uploads/2022/05/disease-patents.jpeg>

Africa never went along with the Covid/Vaccine murder scam in the first place because they were its biggest victims. Here, for example, the London Times reports "The W.H.O. Gave 50 Million Smallpox Vaccines Laced With AIDS To Africans."

<https://benjaminfulford.net/wp-content/uploads/2022/05/aids-caused-by-vaccine.jpeg>

We also have more evidence that a large portion of the Covid illness was caused by an electromagnetic attack. Last week a French court ordered a 5G antenna (the article mistakenly says 4g) switched off after a farmer said that following the antenna installation, and 40 of his 200 cows had died. Philippe Molhérat, the mayor of Mazeyrat-d'Allier, who had previously authorized the antenna's installation, testified in favor of the farmer.

<https://www.connexionfrance.com/article/French-news/French-court-orders-4G-antenna-switch-off-over-cow-health-concerns>

The Chinese have gone on a full war footing to catch the perpetrators who killed millions with such an electromagnetic attack in Wuhan in 2020, Asian secret society sources say. That is one of the reasons why people are dropping off buildings all over China, they say.

<https://www.jenniferzengblog.com/home/2022/5/16/top-secret-recording-war-mobilization-meeting-of-the-southern-war-zone-of-the-pla-guangdong-province-is-in-a-state-of-war>

We also see Adrenochrome harvesting being reported by the mainstream media in countries like Turkey and Bulgaria.

https://benjaminfulford.net/wp-content/uploads/2022/05/adrenochrome-on-turkish-and-bulgarian-tv.mp4?_=11

With all of this coming out, it is just a matter of time before the whole fake KM fake power structure collapses. A key is to watch what happens to the fake Pope Francis over the coming days. Japanese military intelligence sent us this photo showing that Jonathan Pryce the actor who played the "high sparrow" in the Game of Thrones series, is now playing the real-life role of Pope Francis.

<https://benjaminfulford.net/wp-content/uploads/2022/05/fake-pope-id-300x214.jpg>

A source in Canadian intelligence said: "to the controllers, it is all a stage. They use disinformation to throw off the investigative alliance and keep the sheeple happy. They may have used Pryce on occasions in an emergency situation. They mostly use CGI with green screens and body doubles with latex masks."

A CIA source said "the KM controllers may have used him if he passed their audition but only for brief segments. The important point is there is no pope Francis. He left this world a few years ago as I remember."

When they lose the ability to foist avatars on us to create the illusion that the old regime continues, then it will truly be game over.

Here are some signs human liberation will come sooner rather than later. John Durham, the US white hat prosecutor has begun indicting key people behind the fake Biden administration. "This is just the beginning, they are singing like canaries," Durham says of the initial arrests. When Hillary Clinton Rockefeller goes down, she's taking the whole swamp down with her, CIA sources promise.

Already the traitor Justin Castro and his handler Chrystia Freeland have been removed in Canada while the traitor Scott Morrison has been removed in Australia. Now, Boris "Bozo" Johnson is being removed from the UK.

<https://www.express.co.uk/news/politics/1617154/Boris-Johnson-undermined-trust-Conservative-MP-sir-bob-neill-no-confidence-letter-latest>

Also, as for "Biden;" why is the most important/powerful man in the entire world getting picked up at the airport by the Uber/civilian taxi service? Where is the security detail? Where is the Secret Service? Why is he carrying his own bags? Is this the imposter heading home after performing his duties? Food for thought.

https://benjaminfulford.net/wp-content/uploads/2022/05/biden-gets-his-uber.mp4?_=12

In another sign the Biden farce is ending, the White House has issued a statement that real admiral (ret) John Kirby, "will be the new National Security Council Coordinator for Strategic Communications at the White House. In this role, Kirby will coordinate interagency efforts." That looks like a military take-over to me.

<https://www.whitehouse.gov/briefing-room/statements-releases/2022/05/20/president-biden-announces-john-kirby-as-nsc-coordinator-for-strategic-communications/>

Now we see the avatar California Gov. Gavin Newsom has "tested positive" again. "Looks like he has been picked up again. You can see in the photos that this is not the same man as the original," a CIA source comments.

<https://benjaminfulford.net/wp-content/uploads/2022/05/another-newsom-grabbed-300x261.jpeg>

There is also a huge clean-up of second and third rank KM traitors. Take a look at all the KM puppets that caught Covid recently:

The removal of these KM mid-managers is just the beginning. In a related and huge long-term development that has slipped under the radar. On Tuesday, May 24, Russia announced it would reject the Western higher education controlling Bologna (Baloney) Process and would develop its own “unique” model of higher education.

<https://tass.com/pressreview/1455465>

This is significant because “Western” higher education has been subverted and turned into a process of brainwashing as any self-educated person knows.

H. L. Mencken: “The aim of public education is not to spread enlightenment at all; it is simply to reduce as many individuals as possible to the same safe level, to breed a standard citizenry, to put down dissent and originality.”

<https://benjaminfulford.net/wp-content/uploads/2022/05/dumbification-300x300.jpeg>

The KM, of course, is not giving up without a fight. They have been staging more and more fake mass shooting events in a desperate attempt to grab guns before they are pointed at them.

https://benjaminfulford.net/wp-content/uploads/2022/05/photo_2022-05-30_17-15-28-300x276.jpg

https://benjaminfulford.net/wp-content/uploads/2022/05/photo_2022-05-30_17-15-28-300x276.jpg 300w ,

https://benjaminfulford.net/wp-content/uploads/2022/05/photo_2022-05-30_17-15-28-768x706.jpg 768w ,

https://benjaminfulford.net/wp-content/uploads/2022/05/photo_2022-05-30_17-15-28.jpg 828w

Ask yourself, why are FREEMASONS On the scene of most shooting locations? Openly giving interviews or in background shots? Their blatant use of symbolism will be their downfall. They feel that they are untouchable. Actually, they are puppets being programmed what to do. Even though the KM staged events are failing all over the world, they are still very powerful. For example, according to Mossad, *the news agency Reuters is owned by "Thomson Reuters". Which in turn, is majority-owned by Blackrock. Pfizer is also owned by... Blackrock. So when you see Reuters saying Pfizer is doing nothing wrong, and both are owned by the same people.*

The rabbit hole runs even deeper. Last week Pfizer told a Federal Judge that Pfizer Owns the Federal Government and is thereby Immune to Normal Contract Law. In other words, Pfizer has the legal authority to commit fraud that kills people.

<https://www.paulcraigroberts.org/2022/05/23/pfizer-tells-federal-judge-that-pfizer-owns-the-federal-government-and-is-thereby-immune-to-normal-contract-law/>

Then you see 12 "different groups" magically pop up to oppose Elon Musk's Twitter Takeover. It turns out they all have ties with Gates and Soros Foundations.

https://m.theepochtimes.com/12-groups-behind-protest-of-musks-twitter-takeover-have-ties-with-gates-foundation-soros_4493281.html

Current law is also biased in their favor. For example, the Rothschild front company Glencore Commodities admits to decades of market manipulation and only pays a token \$1.5 billion fine. That is a pocket change to them and an acceptable cost of business.

<https://www.zerohedge.com/commodities/glencore-pleads-guilty-decade-bribery-and-market-manipulation-will-pay-15-billion>

The KM is also still trying to starve us to death. They are mining Ukraine's harbors to prevent food exports, Russian FSB sources say. They have been creating shortages of baby formula, chicken, eggs etc. For example, a factory in Kingston, Ontario given \$225 million in taxpayer money is sending all of the baby formula it produces to China while Canadian parents struggle to find it.

<https://tnc.news/2022/05/20/taxpayer-funded-factory-sends-all-its-baby-formula-to-china-despite-domestic-shortage/>

Also in Canada, they staged a massive train derailment with 43 CP Rail train cars carrying potash. <https://twitter.com/rawsalerts/>

Potash is a chemical used as fertilizer, fertilizer of course being something that is in a dire shortage right now. This sort of train sabotage is something the Rockefeller crime family has often carried out. Rest assured though, that these criminals are all being hunted down and their defeat is inevitable.

The question is, what will follow it. We don't know, but the secret space program people insist there will be an event like never before seen in human history. With that, let us take a look at the latest from the project blue beam folk. First, is a very clear UFO filmed recently in Antarctica. https://benjaminfulford.net/wp-content/uploads/2022/05/antarctic-ufo.mp4?_=13

People connected to Antarctica are saying some kind of portal to other dimensions is there. "James Forrestal the first US Secretary of Defense was pushed (Oops I mean jumped) out of the Bethesda Naval hospital room in 1949 because he knew too much about Antarctica and its secrets," a US Secret Space Program source says. Speaking about portals, here is a video taken at a hospital in Thailand showing what looks to be a giant portal in front and connected to the sun.

At the very least you can tell the secret controllers are planning to go out with some sort of spectacular space show. If it is real, then we will all be buying flying saucers instead of cars soon. Stay tuned.
