

The WingMaker's Philosophy: Life Principles of the Sovereign Integral

*Summary of Background Information
Published at WantToKnow.info*

In 1972, in a remote northern section of the state of New Mexico (USA), a group of hikers discovered a series of artifacts, one very unusual artifact (the disc compass) and pictographs within an obscure canyon. An archaeologist from the University of New Mexico analyzed the artifacts (dated to the 8th century AD) and searched the area where it was discovered, but found no signs that a prehistoric culture had established any permanent site in the canyon. It was presumed that a nomadic, Native American Indian tribe had occasionally used the canyon as a temporary settlement and had left behind a few artifacts of their presence as a consequence.

The exception, known as the "compass" artifact, appeared to be an unusual form of technology. It was covered in strange hieroglyphic symbols, some of which were also found on the pottery. Secondly, the pictographs that were found in the area had inexplicably appeared, and they were strikingly different than any of the other native petroglyphs or rock art found in the southwest or the entire continent for that matter.

The site was completely searched by a secret department (Advanced Contact Intelligence Organization - ACIO) of the National Security Agency (NSA) in 1973, and labeled the project under the code name, Ancient Arrow.

Twenty-one years later, in 1994, a series of rock slides opened up a section of the Ancient Arrow site. The canyon was in a naturally obscure section of park land held by the state of New Mexico. After its discovery in 1972, it had been officially sanctioned off-limits to hikers and campers and was to be left in its natural state. From time-to-time, scientists -- sponsored by the NSA -- would visit the site hoping to uncover new evidence, but were invariably disappointed.

The project was then formally brought under the jurisdiction of the Advanced Contact Intelligence Organization (ACIO), which organized an inter-disciplinary research team to assess the exact nature of the site and attempt to discover additional artifacts or evidence of an extraterrestrial visitation.

The ACIO is a secret or unacknowledged department of the NSA. It is headquartered in Virginia, but also have personnel in Belgium, India, and Indonesia. They are largely unknown,

even to senior directors within the NSA. The ACIO has the lowest profile organization within the entire intelligence community. Its agenda is to research, assimilate, and replicate any technologies or discoveries of extraterrestrial origin. Its personnel consist mainly of scientists who are completely anonymous, yet are paid salaries in excess of \$400,000 per year because of their security clearance and IQ. This secret organization not only possesses enormous brain power, but it is also in possession of technologies that are far in advance of any other research facility on the planet. They are, in a word, privileged.

One day, late in the summer of 1996, one of the scientists (a linguistics expert) had an insight into how to unlock the optical disc (the compass) by reducing the symbols of the wall paintings to their closest facsimile found in an ancient Sumerian text. While the Sumerian language is extinct, it was sufficiently comprehensible to this scientist that he was able to decode the symbols of the paintings, and, placing the 23 words in the same order as the Ancient Arrow site of 23 chambers, he was able to finally unlock the optical disc.

In early 1997, the ACIO scientist who had originally discovered the access code for the optical disc became strangely sympathetic with the WingMakers' mission (who are allegedly humans 750 years in our future). He was convinced that the ACIO would never share the discovery with the public, and he was certain that it was too significant to withhold. He also claimed that he was in communication with the WingMakers and that they were watching the ACIO's progress and would, at the appropriate time, make the time capsule and its contents available to the public.

This assertion troubled the ACIO and particularly the Ancient Arrow project director, who eventually recommended a leave of absence for the scientist and was summarily dispatched from the project. The scientist was afraid that his memories would be tampered with or destroyed altogether, and so he defected from the ACIO, quite literally the first to ever do so.

Soon after his defection, the scientist disappeared. However, before his disappearance, some of his materials regarding the WingMakers and their time capsule were given to a journalist that he had selected at random.

Satan has returned to the original creation & received absolution

Benjamin Fulford Geopolitical Report - June 6, 2022

Recently a member of the Earth Liberation Alliance delivered a handwritten note to a senior Jesuit that read: "Satan has returned to the original creation and received absolution, thank you for keeping the candle burning all these long years."

The alliance has received intelligence that Satan was defeated years ago and what we are seeing now happening across the planet is a mop-up operation to remove his local field agents notably the top members of the Rothschild (red shield of Satan) family.

Here is what Queen Elizabeth II -a senior member of the alliance- had to say on the occasion of her Platinum Jubilee: "Many happy memories will be created. We remain very deeply committed to our shared causes East and West. The general stewardship of the geopolitical landscape had been predominantly Western, the Opioid device by our Rothschild among many families at the rub of the falling out which was not our design but they make money where they can and pretend to be not what they are – in the end, common is common and royal and imperial rise above it." - Elizabeth II R.

In what appears to be her contribution to the project blue beam celebration of the start of a new Golden Age, she time traveled back 70 years by appearing as a hologram in the ancient British Royal Carriage.

<https://news.sky.com/story/amp/platinum-jubilee-the-queen-appears-in-hologram-in-gold-state-coach-as-london-street-pageant-now-in-full-swing-12628157>

Also, in another sign Rothschild rule is ending, the government of Afghanistan is eradicating the poppy plantations that are the source of 80% of the worlds' opium and heroin. This will deal a mortal blow to the criminal elite of the West.

<https://www.naharnet.com/stories/en/290157-afghan-taliban-launch-campaign-to-eradicate-poppy-crop>

In another major sign that a new Age is about to begin, Italian and Catholic media have been rife with unsourced speculation that the 85-year-old Pope Francis is about to resign.

<https://apnews.com/article/pope-francis-benedict-xvi-religion-2186d6d10d27c67d5154197e50fc590e>

Of course, the real Pope Francis is long dead so what we are talking about is the defeat of the people controlling the current fake rubber mask/CG pope. The P3 freemasons -who forced his predecessor to resign- say Francis will probably be the last Pope ever. Even the Russians are talking of end times with Russian Security Council Deputy Chairman Dmitry Medvedev saying "One can have different attitudes to it, one can believe that the horsemen of the Apocalypse are already on their way and all hope is in Almighty God."

We also see the de facto spokesperson for the Secret Space Program, Elon Musk, now coming out fully and publicly against the Satanic cabal that seized power in the West.

"Elon Musk is laying it on thick. He is exposing the KM corrupt Media.... He is obviously siding with the Alliance on this one," a Mossad source comments on this headline: "Elon Musk Says 'No One in the Media Cares' About Exposing Jeffrey Epstein's Alleged Clients."

This does not mean the battle is over yet. The people of North America are now being held hostage by the criminals running the fake Biden and Trudeau regimes. Several parts of Europe, including France and Ukraine, are also still under Satanic control.

So a military, information, legal and economic hybrid war is being waged by the alliance to liberate the people of these countries.

There is a high probability the fake Biden regime will collapse during the summer months due to an international economic boycott of the United States of America corporation that uses his avatar as their spokesperson.

This is why fake US Treasury Secretary Janet Yellen admitted to CNN “There were unforeseen and big blows to the economy that spurred rising energy and food prices, and also created problems in the supply chains, which had a bad effect on our economy. At that time I did not fully realize this, but I admit it now,” Janet Yellen tells CNN. What she did not say is that it is not Russia that is facing sanctions it is the US. That’s the real reason Biden said that 70% of inflation in the United States is due to Putin.

<https://www.usatoday.com/story/news/politics/2022/05/31/biden-interfere-federal-reserve-inflation/7454555001/>

That is why gas prices are rising and there will be power shortages in most of the US during summer (only the parts supplied with Canadian hydro-power will be OK).

<https://powerthefuture.com/two-thirds-of-the-country-face-the-prospect-of-blackouts-this-summer/>

<https://benjaminfulford.net/wp-content/uploads/2022/06/black-out-map.jpeg>

The fake Biden keeps announcing he will go to the Middle East to get oil but. he keeps being forced to cancel the visits because nobody wants to talk to him. This boycott is also affecting other Satanist-occupied countries. For example, gas consumption in the Netherlands has fallen 25 to 33 percent in the last five months compared to previous years, according to figures from Gasunie Transport Services (GTS). This means a de facto 25% plunge in GDP.

<https://nltimes.nl/2022/06/04/gas-consumption-netherlands-plummeted-first-half-2022>

“So, [thanks to the ‘embargo’] Putin earns more money by selling less oil,” German Vice-Chancellor Habeck admits.

https://benjaminfulford.net/wp-content/uploads/2022/06/german-finance-minister-on-oil.mp4?_=1

The economic collapse of the United States and other Satan Occupied Countries (SOCs) is accompanied by social and moral decay, especially pedophilia and the murder of children. Here are some examples: The Russians have uncovered proof the Ukrainian Red Cross Society was involved in shady activities, including keeping records of children with “healthy organs.” <https://www.rt.com/russia/556331-red-cross-office-mariupol/>

The SOC Ukraine is just following in the footsteps of its US based controllers where sordid revelations are pouring out. For example, *in April 2021, an investigation began into ritualistic child sexual abuse and child sex trafficking that happened in Utah County, deputies say. A portion of those allegations was confirmed.*

<https://www.abc4.com/news/local-news/child-sex-trafficking-in-utah-counties-now-confirmed/>

Then we have an Elementary School in Illinois is passing out flyers promoting an “After School Satan Club.” <https://benjaminfulford.net/wp-content/uploads/2022/06/school-satan.jpeg>

In Seattle, meanwhile, the police have announced an open season for rapists to do whatever they want as this news item shows: *Seattle police’s sexual assault and child abuse unit staff has been so depleted that it stopped assigning to detectives this year new cases with adult victims, according to an internal memo sent to interim police Chief Adrian Diaz in April.*

<https://www.seattletimes.com/seattle-news/times-watchdog/seattle-police-halted-investigating-adult-sexual-assaults-this-year-internal-memo-shows/>

Then we find out that in Amish lands *‘It’s a predator’s paradise’: Shocking documentary exposing sex abuse in the Amish community reveals 11-year-old girls were given pamphlets that normalize INCEST and teach them rape is a result of their ‘carelessness’*

<https://www.dailymail.co.uk/femail/article-10861949/Amish-11-year-old-girls-given-pamphlets-normalizing-incest.html>

Further south, the Southern Baptist Convention's executive committee mishandled allegations of over 700 cases of sex abuse from 2000 to 2019, stonewalled numerous survivors and prioritized protecting the SBC from liability.

https://www.nola.com/news/crime_police/article_a40d00ec-de08-11ec-b08d-479bdb3799d3.html

This is the tip of the iceberg since 40,000 children vanish every year in the US never to be seen again. So what kind of leadership in the West lets such things happen? Since the crimes of the former Joe Biden and his son Hunter have been extensively written about elsewhere; we suggest readers still not aware do a quick search using the term "Hunter Biden laptop."

We also believe most of our readers are aware that Barack Obama frequented homosexual saunas and married a man who later changed his name to Michelle Obama. The problem here is they lied about it and were blackmailed about this by their controllers. Now, Israel has turned against its Rothschild overlords which is why Mossad reminded us of the sordid past of another of their servants, Emmanuelle Macron, the so-called president of France.

According to Mossad, Macron has been bribed by Rothschild agents to betray his country, fight Islam & cover the destruction of Notre Dame Cathedral. Macron was selected as president because he could be blackmailed over "killing helpless victims in insane orgies," the Mossad sources say. Macron got his start as a child prostitute. "As a 'pretty boy' he was taken by his parents to Israel, where he satisfied old men & traitors on a continuous basis. Witness evidence exists from people who knew him well as a child," the sources say. .

<https://benjaminfulford.net/wp-content/uploads/2022/06/child-prostitute-macron.jpeg>

He married one of his male clients who he started having relations with when he was 15. This client was Jean-Michel Trogneux who later changed his name and is now pretending to be Brigitte Macron. For sordid and detailed proof please check the link below.

<http://pressibus.org/gen/trogneux/indexgb.html>

<https://islamsonne.wordpress.com/2019/08/22/emmanuel-macrons-kindheit-als-israelischer-stricher/>

In Canada, of course, we have the brother murdering son of Fidel Castro pretending to be Prime Minister Justin Castreau. Castreau was removed months ago by the Canadian military as was the avatar they replaced him with, Canadian Secret Intelligence Service sources say. The Khazarian Mafia is now trying to use a really bad version of him to pretend they still control Canada. Just look at that nose.

<https://benjaminfulford.net/wp-content/uploads/2022/06/fake-trudeau.jpeg>

Of course, these criminal leaders are ramping up repression in a desperate bid to stay in power as more and more people wake up. That is why journalist Alex Newman says **Right now, the elites, or predator class, realize if they don't move forward very quickly, they are going to lose everything.** *They could possibly end up facing true accountability. I think we are in a very dangerous situation now.* <https://usawatchdog.com/>

That is why they stage fake shooting events. Again, since this has been covered a lot elsewhere so we will just add this about one of these events: Former NYPD Commissioner Bombshell: Texas School Massacre Was a Deep State Operation

<https://newspunch.com/former-nypd-commissioner-bombshell-texas-school-massacre-was-a-deep-state-operation/>

Then we have two networks, same victim, different fathers with Anderson Cooper Vanderbilt as the "on the scene reporter"

https://benjaminfulford.net/wp-content/uploads/2022/06/crisis-actor.mp4?_=2

After these fake incidents, we saw Biden and Castro simultaneously call for gun control. They want to grab guns because the US and Canada are on the brink of civil war.

<https://www.aljazeera.com/amp/opinions/2022/5/31/the-civil-war-that-is-here-and-the-one-that-may-yet-come>
https://benjaminfulford.net/wp-content/uploads/2022/06/fake-biden-gun-control.mp4?_=_3
https://benjaminfulford.net/wp-content/uploads/2022/06/fake-trudeau-gun-control.mp4?_=_4
<https://benjaminfulford.net/wp-content/uploads/2022/06/gun-violence.jpeg>

This is bad because in 2009 the Pentagon did a computer-generated scenario for a civil war in America. The results: 100 million deaths.

<https://resistthemainstream.org/supreme-court-set-to-deliver-first-major-2nd-amendment-ruling-in-more-than-a-decade/>

The criminals are also still trying to kill off the people of their countries with vaccines in a desperate attempt to stay in power. Listen below to Canadian MP Cathay Wagantall talk about this.

https://benjaminfulford.net/wp-content/uploads/2022/06/MP-Cathay-Wagantall.mp4?_=_5

https://benjaminfulford.net/wp-content/uploads/2022/06/vaccine-harm.mp4?_=_6

Some people still think that going to the courts and police will be enough. For example, here you can watch former US Attorney General Bill Barr say: "Complicated cases like this take a long time to build. They occur step-by-step and in secret. People don't like that, but if they want people punished, that's what it takes... If you want the facts, if you want a report, that can be done fairly quickly. If you want scalps, that takes time."

https://benjaminfulford.net/wp-content/uploads/2022/06/barr-says-punishment-takes-time.mp4?_=_7

He is lying, the courts and the FBI are corrupted at the highest level. This is war and we need to act accordingly. Only when we see Nuremberg-type tribunals on all the networks will we be able to trust the courts and police. However, in a sign at least some police are doing their job: The bizarre suicide death of Bill Clinton's former advisor who was found May 7 hanging from a tree with a shotgun blast through his chest and an extension cord around his neck.' is now an "OPEN" investigation.' linked to billionaire perv Jeffrey Epstein

<https://radaronline.com/p/bill-clinton-jeffrey-epstein-death-advisor-investigation-reopened/>

We can also see the so-called leaders are afraid of their own police and military. For example, Biden is afraid of the border patrol. He asked for them to disarm before greeting him so instead, the border patrol men decided not to greet him and they left and went home.

https://benjaminfulford.net/wp-content/uploads/2022/06/border-agents-refuse-to-disarm.mp4?_=_8

Then you can watch Prime Minister Boris Johnson getting booed by the crowd as he arrives for a platinum jubilee event.

https://benjaminfulford.net/wp-content/uploads/2022/06/johnson-booed.mp4?_=_9

Of course, while the West waits for its own people to stage a revolution, it has already happened in most of the rest of the world. This is most visible in Ukraine. Former US Presidential candidate Tulsi Gabbard explains the "West" is fighting to support a government that jailed the opposition, shut down independent TV stations and is fascist.

https://benjaminfulford.net/wp-content/uploads/2022/06/tulso-gabard-tells-ukraine-truth.mp4?_=_10

Russian Airborne Forces Colonel General Georgy Shpak says "This fascist threat is like a cancer: it can spread further and further. It must be completely destroyed." Russia has already started war crimes tribunals of Ukrainian Nazis, foreign mercenaries and NATO instructors over "abductions, torture, and the use of prohibited means and methods of warfare, among other things."

<https://www.massnews.com/ukraines-azov-battalion-swaps-neo-nazi-insignia-media/>

<https://tass.com/politics/1455309>

When the Biden avatar threatens, in response, that "We will send Russia back to 19th century!" the Russians say "bring it on." The photo of Russia in the 19th century explains why.

<https://benjaminfulford.net/wp-content/uploads/2022/06/russia-in-19th-century.jpeg>

As the comment by Brahma Chellaney below explains, the Nazis have already lost. “Zelensky admits Russia now holds one-fifth of Ukraine, the largest country entirely within Europe. What he didn’t acknowledge is that Russia controls Ukraine’s industrial heartland, 90% of its energy resources (including all of offshore oil), and its critical ports and shipping”

“You wouldn’t know this by reading the US press. In recent days, @washingtonpost reported “the tide of war is clearly shifting against the aggressor,” while @Forbes proclaimed Russia is “losing the war.” Other media outlets have said it is running out of options to avoid defeat.” The Nazi Bilderberg losers gathered in Washington last weekend to discuss their defeat. They were allowed to meet so that they could be monitored and more of their secret controllers could be identified, CIA and NSA sources say.

<https://www.bilderbergmeetings.org/press/press-release/participants>

However, let us make this very clear. This is not a defeat for the US military and a victory for Russia and communist China. The US military white hats have nothing to do with what is happening in Ukraine and do not support the fake Biden regime.

The US white hats still have lots of power and respect as shown by the following nations participating in a Pacific Naval exercise: Australia, Brunei, Canada, Chile, Colombia, Denmark, Ecuador, France, Germany, India, Indonesia, Israel, Japan, Malaysia, Mexico, Netherlands, New Zealand, Peru, the Republic of Korea, the Republic of the Philippines, Singapore, Sri Lanka, Thailand, Tonga, the United Kingdom, and the United States will participate in the 2022 Rim of the Pacific exercise (RIMPAC)

<https://americanmilitarynews.com/2022/06/us-to-china-were-hosting-worlds-largest-naval-exercise-in-pacific/>

Finally, this week, to show humanity really is heading for unknown waters and needs a strong military to guide us, we conclude with the latest visuals from project blue beam. As usual with such stuff, only really believe it when you see it with your own eyes. In the meantime, keep fighting to free the earth.

Hate, Resistance, Division Will Shift to Love

Archangel Gabriel through Shelley Young

Dear Ones, hate takes a lot of energy. Resistance takes a lot of energy. Division takes a lot of energy. All of these, eventually, will shift because they all take too much energy to make them sustainable over the long run. Do you know what happens when people become too exhausted to continue separation? Love happens. Love will rise to the surface, when given even the smallest opening, because it is your true state of being and an inexhaustible resource. Love will always find a way.
